Glenn - Thanks for the quick turn around.

John Kang - Attached is the clarification from DPW AED. I hope it will satisfy your inspectors request. Glenn tried to CC your inspector. Unfortunately, he could not find him in the DPW Directory.

You will need to transmit the copy to the inspector.

Reply if we can provide anything else on the issue.

Thank you,

Kit,

The water closets should be floor mounted. The wall mounted closets shown on plans are incorrect.

I couldn't find Mr. Boum's email address - maybe his name isn't spelled correctly.

Thanks,
Glenn Blaauw

Glenn - Can you clarify with your ME & reply.

I am not clear whether the inspector's concern is regarding the new units in the Child Waiting Area restroom or the replacement units in the Probation

Department restrooms.

John tells me both restrooms use floor mounted units.

Mr. Boum is with DPW B & S. If possible, please look up Mr. Boum in the DPW e-mail directory and copy the him in your e-mail response to this note.

Please call me with any questions or to discuss before you reply.

Thank you,

Kit:
Plan shows wall mounted water closets and floor mounted water closets. Inspector Ron Boum needs in writing that the water closets are floor mounted. 310-534-3760 or 310-973-3237. He will not sign off until this is clarified.

Thank you
