BUILDING PLANS FOR TENANT IMPROVEMENT AT 14650 VALLEY BLVD, (BL 0610110025) LA PUENTE, CA

To whom it may concern:

The La Puente Building and Safety field office has been contacted regarding the records associated with the subject project.

After extensive search on our part, our staff was able to locate records for the permits associated with the project; however, the approved building plans for the remodeling work could not be located in our archives.

It must be noted that a copy of the approved plans were also given to the contractor/applicant at the time the permits were issued on 5/14/2007.

If you have any questions in regards to this subject matter, please feel free to contact me at (626) 961- 9611 between the hours of 8 AM to 4:30 PM, Monday through Friday.

Very truly yours,

Mazen Dudar
