Re: Proposed annexation to the City of Glendora, Easterly Annexation District No. 32

Dear Mr. Biotto:

At the meeting held on May 20, 1959, the County Boundary Commission reviewed the boundary description and map submitted by you with your letter of May 8, 1959, of the proposed annexation of territory to the City of Glendora.

The boundaries submitted do not create islands or corridors of unincorporated territory and conform with lines of assessment and the approximate proposed center line of Big Dalton Wash. Upon recommendation of the County Engineer revisions were made in the boundary description to provide the definiteness and certainty intended under the provisions of Section 35002 of the Government Code.

With these revisions, the County Boundary Commission approved the boundaries of the above proposed annexation. A copy of the approved revised legal description and a list of special districts involved are enclosed for your use.

Very truly yours,
