Dear Mr. Baiotto:

Proposed Easterly Annexation District No. 49 to the City of Glendora

At the meeting held July 17, 1963, the County Boundary Commission reviewed the boundary description and map submitted with your letter of July 2 for the proposed annexation of territory to the City of Glendora.

The boundaries submitted do not create islands or corridors of unincorporated territory, and conform with record lines and lines of ownership except along the northerly boundary. The boundaries of this proposed annexation are identical with the boundaries of proposed "Easterly Annexation District No. 49" to the City of Glendora, as approved by the Commission on July 10, 1963.

Upon recommendation of the County Engineer, revisions were made in the boundary description to provide the definiteness and certainty intended under the provisions of Section 35002 of the Government Code. With these revisions the Commission approved the boundaries for the proposed annexation. A copy of the approved revised legal description and a list of special districts involved are enclosed.

Very truly yours,
