Saturday, March 14, 2015 9:00 am - 3:00 pm

Los Angeles County Arboretum & Botanic Garden • 301 North Baldwin Avenue, Arcadia, CA 91007

Finding our way to a greener earth

Welcome to the 36th Annual
Los Angeles Environmental Education Fair!

Children, families, and educators are all invited to join us on March 14, 2015, at the Los Angeles Arboretum to celebrate the 36th Annual Los Angeles Environmental Education Fair. Join us for music, community art stations, storytelling, live animals, education animal exhibits, workshops, delicious food, and family-friendly entertainment.

Join us for:

- Interactive activities
- Live Animals
- Garden Explorations
- Healthy food and beverages
- Entertainment
- Over 30 environmentally aligned exhibits and experts
- Fun for all ages

Participate in the following workshops:

- Smart Gardening/Composting Workshop
- Teacher Professional Development Workshop (Environmental Service Learning *by TreePeople*)

Arcadia High School Nature Passports

A variety of hands-on science and nature activities will be offered. Collect stamps in your passport as you complete them. Join the fun!
