ADVERTENCIA SOBRE EL PELIGRO DEL PLOMO:

Debido a la posible presencia de plomo en la pintura, se requiere utilizar normas de trabajo seguras para proteger la salud de los residentes y trabajadores cuando se daña la pintura en todas las reparaciones en edificios construidos antes del año 1978.

Al no cumplir con estas normas podría crear contaminación de plomo, que viola el Código de Salud y Seguridad de California en las Secciones 17920.10 y 105256 estará sujeto a una multa de hasta $5,000 o ser encarcelado hasta 6 meses o las dos. (Sección [d] de la enmienda)

Para más información, favor de llamar al: 1-800-524-5323

LEAD HAZARD WARNING:
Due to the possible presence of lead-based paint, lead safe work practices are required for all repairs in pre-1978 buildings that disturb paint. Failure to do so could create lead hazards that violate California Health and Safety Code Sections 17920.10 and 105256 and may be subject to a $5,000 fine or criminal prosecution. For more information call 1-800-LA-4-LEAD.

REPORT ID: DPR261 ROUTE TO: BS0700

OWNER-BUILDER DECLARATION

I hereby affirm under penalty of perjury that I am exempt from the Contractors' State License Law for the reason(s) indicated below by the checkmark(s) I have placed next to the applicable item(s) (Section 7031.5, Business and Professions Code): Any city or county that requires a permit to construct, alter, improve, demolish, or repair any structure, prior to its issuance, also requires the applicant for the permit to file a signed statement that he or she is licensed pursuant to the provisions of the Contractors' State License Law (Chapter 9 (commencing with Section 7000) of Division 3 of the Business and Professions Code) or that he or she is exempt from licensure and the basis for the alleged exemption. Any violation of Section 7031.5 by any applicant for a permit subjects the applicant to a civil penalty of not more than five hundred dollars ($500).):

(_) I, as owner of the property, or my employees with wages as their sole compensation, will do (✓) all of or (_) portions of the work, and the structure is not intended or offered for sale (Section 7044, Business and Professions Code: The Contractors' State License Law does not apply to an owner of property who, through employees' or personal effort, builds or improves the property, provided that the improvements are not intended or offered for sale. If, however, the building or improvement is sold within one year of completion, the Owner-Builder will have the burden of proving that it was not built or improved for the purpose of sale.).

(_) I, as owner of the property, am exclusively contracting with licensed Contractors to construct the project (Section 7044, Business and Professions Code: The Contractors' State License Law does not apply to an owner of property who builds or improves thereon, and who contracts for the projects with a licensed Contractor pursuant to the Contractors' State License Law).

(_) I am exempt from licensure under the Contractors' State License Law for the following reason:

_____

By my signature below I acknowledge that, except for my personal residence in which I must have resided for at least one year prior to completion of the improvements covered by this permit, I cannot legally sell a structure that I have built as an owner-builder if it has not been constructed in its entirety by licensed contractors. I understand that a copy of the applicable law, Section 7044 of the Business and Professions Code, is available upon request when this application is submitted or at the following Web site: http://www.leginfo.ca.gov/calaw.html.
