Dear Sir: I'm John Baratti, the owner of 7319-21 Beach St and 7401-03 Beach St. properties. Just a year ago on 5-7-92 my agent, the architect who pepared the plans, made two applications for Building Permits in the above addresses, numbers 6496-6499 and 6500-6503. The plans are at your office. ~~when~~ I have been today at your office in order to give you advise that the lender who will finance the construction, is in the final steps to approve the loan. They promised me that by mid June '93 I'll be able to start the construction. I was advised by a gentleman that works at your office to write you this letter in order to put you at the current of the situation and please do not throw the plans out of the office because I'm reaching the moment to start the building. At that time I'll pay again the P.C. fee as required. Thank you to give attention to my request. Sincerely yours

J. Baratti

Mr. Manuel Cuevos

Dear Mr. Cuevas:

PLAN CHECK NO. 6496-99

The Zoning Ordinance (Title 22 of the Los Angeles County Code) relating to adequate highway or street width requires, with certain exceptions, that before any lot which adjoins a highway, street, or alley can be used, any right-of-way necessary for widening of the half of the road adjoining the lot must be dedicated and any necessary road improvements must be constructed in conformity with Department standards.

Your application located at 7319, 19 1/2, 21, 21 1/2 Beach Street is subject to the provisions of the Zoning Ordinance. Therefore, before the site can be used, the requirements on the enclosed "Agreement to Improve" must be satisfied.

Please execute and return the enclosed Agreement to Improve to the Building and Safety Division prior to the issuance of your building permit. The signature on the document must be notarized. A copy of the Agreement to Improve is also enclosed for your files.

A permit will be required from the Construction Division for the road work. It is suggested that any plans needed for obtaining the permit be submitted as soon as possible to allow maximum time for processing. Additional information regarding procedures and requirements may be obtained by contacting Mr. Roland Jones at (818) 458-4909.
