**ATTENTION: APPLICANTS FOR BUILDING PERMITS**

**Dear Developer/Owner:**

**The Los Angeles Unified School District, in accordance with State of California Education Code 17620 et seq., and Government Codes 65995, 65995.5-65995.6, is authorized to collect school facilities fees (developer fees) to provide funds to help relieve over-crowded conditions at its schools.**

County and City Building and Safety Departments may not issue building permits for construction projects until the Los Angeles Unified School District certifies that these developer fees have been paid or a developer fee waiver has been issued.

In accordance with the Los Angeles City Board of Education resolution approved on October 14, 2003, the developer fee rate for residential construction is $3.73 per assessable square foot for the period of October 23, 2003 through October 22, 2004. Fees on commercial/industrial and self-storage structures will remain at $0.34 and $0.28 per square foot, respectively. Fees on parking structures will continue to be $0.09 per square foot.

Attached for your use are the "Developer Fee Payment Procedures" and "Certification of Payment of Developer Fees" (CPDF) forms.

If you have any questions regarding the fee or need help in completing the CPDF form, please call the Developer Fee Program Office at (213) 743-3670, between 7:30 a.m. and 4:00 p.m., Monday through Friday.

Thank you,

Los Angeles Unified School District
Developer Fee Payment Procedures

## Applicant

1. Complete Part I of the "Certification of Payment of Developer Fees" (CPDF) form. Please be sure that the certification is signed and dated.

2. Return the "Certification of Payment of Developer Fees" (CPDF) form to the Building and Safety Department for them to complete Part II of the form.

   **The Los Angeles Unified School District (LAUSD) cannot validate the "Certification of Payment of Developer Fees" without the Building and Safety Department entries.**

**Note: Building & Safety Department personnel for the City of Gardena will not calculate the square footage in development projects located within their city boundaries. Developers must therefore, submit a set of plans (floor, plot, elevation and section) to the LAUSD Developer Fee Program Office so that District personnel can determine the amount of assessable square footage for these projects. This process takes approximately two weeks and developers are cautioned to consider this time requirement in planning to pull building permits.**

3a. To pay the developer fees in person, please take the completed forms between the hours of 7:30 a.m. and 4:00 p.m., Monday through Friday to:

Los Angeles Unified School District
Developer Fee Program Office
600 East Pico Boulevard
Los Angeles, CA 90015
(213) 743-3670

3b. To pay by mail, calculate the amount due by multiplying the square footage certified by the local Building and Safety Department in Part II by $3.73 for residential construction (single family homes, duplexes, condominiums and apartments), by $0.34 for all commercial/industrial constructions, by $0.09 for parking structures or by $0.28 for self-storage structures.

EXAMPLE: Multiply the number of square feet by the appropriate fee.

| Type of Construction | Project Sq. Ft. | | Rate Per Sq. Ft. | Amount Due |
|---|---|---|---|---|
| Residential | 1,000 | x | $3.73 | $ 3,730.00 |
| Commercial/ Industrial | 1,000 | x | $0.34 | $ 340.00 |
| Parking | 1,000 | x | $0.09 | $ 90.00 |
| Self-Storage | 1,000 | x | $0.28 | $ 280.00 |

# Notice of 90-Day Refund/Protest Policy for School Facilities Fees (Developer Fees)

Dear Developer / Owner:

The Los Angeles Unified School District, in accordance with the California Education and Government Codes, collects school facilities fees (developer fees) to provide funding for school construction costs. **These fees must be paid before the Department of Building and Safety will issue you a building permit.** Fees are assessed on the basis of assessable square footage, pursuant to Education Code section 17620, et seq., and Government Code section 65995, et seq.

The law allows for refunds or waivers of certain developer fees. **However, requests for refunds or waivers, or any other written form of protest of fees must be received by the Developer Fee Program Office within 90 calendar days after the payment of such fees.** Only a written request is required within the 90-day deadline and not all required supporting documentation. Applications for waivers and refunds may be obtained from the Developer Fee Program Office.

Be advised that the Developer Fee Program Office will not process refund requests or protests that are received after the 90-day deadline, and all such correspondence must be sent directly to the Developer Fee Program Office and not the Department of Building & Safety.

If you have any questions on types of refunds or credits available, please call the Developer Fee program Office at (213) 743-3670.

Please sign the statement below to indicate that you were notified of this policy and submit the signed portion of this acknowledgement to the cashier prior to the payment of your school facilities fees. Thank you.

I understand that failure to submit an application for a refund, or letter of protest, to the Developer Fee Program Office within 90 calendar days of payment of school facilities fees, waives my right (or owner's right) to be eligible for any refund or exemption of such fees.
