COUNTY OF LOS ANGELES
DEPARTMENT OF COUNTY ENGINEER-FACILITIES
DIVISION OF BUILDING AND SAFETY

STATEMENT TO BE SIGNED BY OWNER PRIOR TO ISSUANCE OF SWIMMING POOL PERMIT

Water drained from swimming pools must not encroach on abutting property. The following are legal methods of swimming pool waste water disposal:

1. To a sanitary sewer through a 3" P-trap legally installed under permit from the Building and Safety Division of the County of Los Angeles. This applies only to property which is connected to a public sewer. Swimming pool waste water shall not discharge to a private sewage disposal system.

2. To a storm sewer or established storm channel which abuts the property if permission can be obtained from the County Flood Control District. The general information telephone number there is (213) 226-4111.

3. To the street if a permit is first obtained from the County Road Department (213) 226-8188.

4. On the property if the property is large enough to insure that runoff will not encroach on abutting property.

5. In the case where none of the above can be accomplished, the pool contents must be removed by tank truck.

This is to certify that I have read and understand the foregoing and agree to pass this information sheet on to the next subsequent owner.
