CONSTRUCTION AND DEMOLITION DEBRIS
RECYCLING AND REUSE PLAN APPROVAL SHEET

RRP Number: 121013-1000 **Date:** 12/10/2013
Applicant: Ralph Diaz
Project Address: 11025 Leland Avenue, Whittier, 90605

The Recycling and Reuse Plan(RRP) submitted for the above project has been approved.
Please note the following:

- ☐ A 90 Day Progress Report is required to be submitted no later than 90 days after issuance of the first permit(issued by Building and Safety Division) for your project.
  The 90 Day Progress Report is estimated to be due by **3/20/2014**.
- ☐ An Annual Progress Report is required to be submitted **on or before March 1st** of every year, until project completion.
- ☑ A Final Compliance Report is due no later than 45 days after project completion along with all weight tickets. The Final Compliance Report is due by **2/3/2015.**
- ☑ Source separation of debris is required for one of more of the facilities you have chosen to use. Coordinate this with your contractor, hauler, and facility to ensure the material is recycled.
- ☑ Changes to the project scope, will require submittal of an Amended Recycling and Reuse Plan.
- ☑ Weight tickets are required to be submitted with the Final Compliance Report and must account for all waste generated from the project.
- ☑ Notify all interested parties(contractor, subcontractors, owner) of recycling requirement and of recycling and disposal facilities to be used.
- ☐

Failure to recycle the required amount of debris can lead to penalties of up to $250 per ton.
Report forms, best management practices, list of haulers, recyclers, and disposal facilities, and other materials are available at **http://dpw.lacounty.gov/epd/cd/**
If you have any questions, please call Pao, Teresa at (626)458-4915.

Form 1

County of Los Angeles Department of Public Works
Environmental Programs Division

CONSTRUCTION AND DEMOLITION DEBRIS RECYCLING AND REUSE PLAN

Complete this C&D Recycling and Reuse Plan and submit to:
County of Los Angeles Department of Public Works,
Environmental Programs Division, Annex Building, 3rd Floor
900 South Fremont Avenue, Alhambra, CA 91803
Office Hours: 7 a.m. – 5 p.m. Monday through Thursday
Or Fax to (626) 737-1723

Date: 12/10/13

The Los Angeles County Code, Chapter 20.87, requires projects to recycle 50 percent of the debris generated and to submit this Recycling and Reuse Plan documenting how that will be achieved. The Recycling and Reuse Plan must be approved before any permits are issued. Additional information is available at **http://dpw.lacounty.gov/epd/CD** or **call (626) 458-3551**.

Note that any violation of the provisions of Chapter 20.87 of the C&D Debris Recycling and Reuse Ordinance will be subject to an administrative penalty, enforcement, and collection proceedings, as set forth in the chapter and authorized by Section 53069.4 of the California Government Code. The Director of Public Works may withhold approval of any and all Recycling and Reuse Plans submitted by the responsible person on any project until the applicable administrative penalty has been paid. In addition, the amount of any unpaid administrative penalty may be declared a lien on any real property on which the project took place, as provided in Section 20.87.120 of the Ordinance.

The undersigned fully acknowledges the requirements of Chapter 20.87, Title 20 – Utilities of the Los Angeles County Code, C&D Debris Recycling and Reuse Ordinance, Section 20.87.090.

In compliance with Los Angeles County Code, submittal of the following reports may be required:

Form 2 – Amendment: Required if any changes are proposed to the Recycling and Reuse Plan.
Form 3 – 90 Day Report: If required, due 90 days after the start of the project.
Form 3 – Annual Report: If required, due on or before March 1 of every year, until project completion.
Form 4 – Final Compliance Report: Required no later than 45 days after project completion.

OWNER RESPONSIBILITY

Please read and initial each statement if you are (1) **the registered property owner** or (2) **the officer** of the corporation, partnership, limited partnership, or limited liability partnership.

RD I understand this is a legally binding contract that I and my project manager(s), general contractor(s), contractor(s), and waste hauler(s) agree to fulfill. The use of facilities not listed on Table 1 shall require prior approval.

RD I understand that the recycling facilities listed on Table(s) 1 are the **only** facilities to be used by my project manager(s), general contractor(s), contractor(s), and waste hauler(s).

RD I agree to notify any and all persons involved in the project of the need to use **only** the facilities listed on Table(s) 1 by placing a copy of the Recycling Reuse Plan in their contract.

RD I understand that my **failure** to notify any and all persons of the proper recycling facilities may lead to a failure to comply with the Recycling and Reuse Plan.

RD I understand that the **failure** of any and all persons to fulfill the minimum recycling requirements may result in me being responsible for any monetary penalties.

RD I understand that I am **responsible** for obtaining copies of any and all weight tickets from any facility which receives debris from this project. This includes facilities which are listed in this Plan, and those facilities which are not listed in this Plan. The use of facilities which are not listed on the Recycling and Reuse Plan may result in a monetary violation.

RD I understand that once the project is complete, a Final Compliance Report **must** be filed. If I fail to file a Final Compliance Report by the required date, for any reason, the Department of Public Works **will contact me** for copies of the weight tickets and a copy of the Final Compliance Report. I understand that the failure to file a Final Compliance Report by its due date or to meet the minimum recycling requirements for the project will result in a monetary violation of **no less than $100 for every ton** which needed to be recycled. This violation will be assessed upon me, the officer/owner.
