Subject : Data Correction for flood survey, 33340 N. 165th  
Street East .

Elevation figures for the flood calculations initially submitted  
are 1.66 feet too low . 1.66 feet must be added to all  
elevations . The calculations remain unchanged . Thus, the  
new WS becomes 3308.5 feet and the new floor elevation becomes

3309
