LANE CLOSURE ON PCH TO REPAIR 6" WATERMAIN

What: A 6" watermain broke at 28000 Pacific Coast Highway. A crew is in route to begin making a repair on the watermain. The number 2 lane south bound on Pacific Coast Highway will be closed during the repair.

About 10 customers are out of water from the addresses of 28500 to 27900 Pacific Coast Highway.

Where: The leak is at the intersection of Sea Lane Court and Pacific Coast Highway between east and west Winding Way.

When: Wednesday, June 6, 2007

The water was turned off at about 2:30 p.m. and should be off 4 to 6 hours.

Why: This work is being done to repair the watermain and to prevent further damage to the private drive at Sea Lane Court.
