**NEWS -- Office of Supervisor Don Knabe**

For release July 6, subject to Board approval of Agenda Item 28  
(Project I.D. No. RDC0014412)

For Immediate Release:

**COUNTY PLANS TO INSTALL TRAFFIC SIGNALS AT INTERSECTION OF  
FULLERTON ROAD AND SUNRISE DRIVE IN ROWLAND HEIGHTS**

ROWLAND HEIGHTS, CA (July 6) – Chairman of the Los Angeles County Supervisors Don Knabe has announced plans to contract for improvements to the intersection of Fullerton Road and Sunrise Drive in Rowland Heights. Improvements will include the installation of traffic signals and the construction of curb ramps. This is part of the County's ongoing road construction and maintenance program, and is expected to improve conditions for motorists and pedestrians.

The County Department of Public Works will open bids August 3 on a contract to perform the work.

Public Works expects the improvements to take 30 working days to complete, with an estimated start in December and completion in February. Once work begins, Fullerton Road may be reduced by one traffic lane in each direction, and Sunrise Drive may be reduced to one traffic lane for both directions, controlled by flaggers. Lane reductions will only be in effect during daylight working hours.
