(Project I.D. No. RMD4146007)

**PARKWAY TREES TO BE TRIMMED IN CITY TERRACE  
AND EAST LOS ANGELES**

County of Los Angeles Supervisor Gloria Molina announced plans for the trimming of 2,022 parkway trees along various County streets in the vicinities of City Terrace and East Los Angeles. This is part of the County's ongoing program to keep parkway trees healthy, maintain proper visibility, and protect residents, motorists, and pedestrians and their property.

The County Department of Public Works will open bids December 14 on a contract to perform the work.

Public Works expects the work to take 40 working days to complete, with an estimated start in February and completion in April. The owners of properties impacted by the work will be notified prior to the start of the project.
