MEDIA ADVISORY

TEMPORARY ROAD CLOSURE ON SIERRA HIGHWAY

AGUA DULCE, CA - A temporary road closure is scheduled for Friday, February 1, 2008 from 9:00 am to 5:00 pm on SIERRA HIGHWAY between DAVENPORT ROAD and AGUA DULCE CANYON ROAD.

In order to prepare for future storms, a concrete box culvert that crosses under Sierra Highway just west of Eastern Avenue needs to be repaired. The concrete culvert was damaged during the recent storms.

The roadway will be open to normal traffic once the repairs are completed. Variable message signs will be in place to give the public advance notice of the closure.

To avoid the road closure on Sierra Highway, if traveling southbound, take Agua Dulce Canyon Road south from Sierra Highway to Davenport Road and continue west on Davenport Road to Sierra Highway. If traveling northbound, take Davenport Road east to Agua Dulce Canyon Road, then take Agua Dulce Canyon Road north to Sierra Highway.
