Dear Mr. Monroy:

**1826 SEIGNEUR AVENUE
ASSESSOR'S MAP BOOK NO. 5223, PAGE 14, PARCEL 26
ROAD RIGHT-OF-WAY WAIVER REQUEST**

We reviewed your request to reduce the future right-of-way width required on Seigneur Avenue for the subject property.

The existing road right-of-way width on Seigneur Avenue is 26 feet wide with a planned right-of-way width of 60 feet. At the subject location, under current County standards, we would require an additional 17-foot-wide strip for Seigneur Avenue.

However, due to the limited building setback of the neighboring properties and the future development patterns of the surrounding neighborhood, we recommend that the required width for Seigneur Avenue be reduced to 40 feet. This means an additional 7-foot-wide future dedication is required for Seigneur Avenue.

A copy of this letter has been sent to our Building and Safety Division (East Los Angeles District office) and the Department of Regional Planning.

A modification to your building setback of the subject property may be required. You may request a building setback modification from the Department of Regional Planning. For more information, please contact Ms. Nooshin Paidar of the Department of Regional Planning at (213) 974-6470.
