

LOS ANGELES COUNTY GOES GREEN

LOS ANGELES COUNTY HAS ADOPTED A NEW GREEN BUILDING PROGRAM

The following ordinances went into effect January 1, 2009:

- 1.Green Building Ordinance
- 2.Low Impact Development (LID) Ordinance
- 3.Drought Tolerant Planting Ordinance

Specific information on all of these ordinances including flow charts and manuals may be found at: <http://planning.lacounty.gov/green>

Please ask the Planning Department or Department of Public Works Building & Safety Division about how this would affect your project

For Building and Safety availability please visit <http://dpw.lacounty.gov/bsd/offices>
