

County of Los Angeles Single-Use Bag Reduction and Recycling Program

Store Name: _____

Store Address: _____

Store Manager/Director: _____

Phone/Fax: _____

Please share the ways in which your store is implementing this Program. The check boxes below correspond to the Store Specific Program Options in the Program Packet, available for download at www.OurWebsite.org.

1. Retraining of Store Personnel (Management, Baggers, Clerks, etc.)

- Develop a staff training plan that highlights the negative impacts bag litter has on the environment and supports the goals of the Program:

- Promote purchase and use of reusable bags and encourage smart bagging techniques:

- Encourage customers to recycle their bags at the store:

2. Incentives to Reduce Single-Use Bag Consumption

- Establish a customer rewards program or otherwise encourage the use of reusable bags and at-store recycling:

- Establish financial incentives to reduce plastic bag usage:

3. Public Education/Awareness

Within the store:

Within the community:
