

Upon 72 hours notice, the County of Los Angeles Department of Public Works can provide program information and publications in alternate formats or make other accommodations for people with disabilities.

Get Carried Away!

Start recycling and see what a difference you can make.

REDUCE

Reducing waste is the best way to save landfill space. Examples include buying items in bulk or in concentrate for less packaging waste and using glassware instead of paper or Styrofoam® cups.

REUSE

Items you no longer need are often useful to others. Try donating used clothing to charities, reusing grocery bags as trash bags, or passing on magazines for others to read.

Your List of Recyclables

- Plastics labeled ♻️ & ♻️
- Glass bottles & jars
- Tin cans
- Aluminum cans
- Green waste
- Christmas trees
- Magazines
- Newspaper
- Junk mail
- Cardboard
- Telephone books
- Office paper

RECYCLE

Recycling saves natural resources, landfill space and energy, as well as reduces pollution. Best of all, it's easy. Just place the items in your recycling bin alongside your regular trash collection.

GET CARRIED AWAY... START RECYCLING NOW

Residents in the unincorporated areas of Los Angeles County can contact their waste hauler and request a FREE recycling bin.

To request accommodations ONLY, or for more ADA information, please contact the Department's ADA coordinator at (626) 458-4081 or TDD (626) 282-7829, Monday through Thursday, from 7:00 a.m. to 5:30 p.m.
