Dear Waste Hauler:

NOTICE OF COMMENCEMENT OF NON-EXCLUSIVE COMMERCIAL SOLID WASTE COLLECTION FRANCHISE FOR UNINCORPORATED AREAS OF LOS ANGELES COUNTY

On April 10, 2012, the County of Los Angeles Board of Supervisors approved a non-exclusive commercial solid waste collection franchise for the unincorporated areas of Los Angeles County. Beginning July 1, 2012, only qualified waste haulers with Franchise Agreements are authorized to provide commercial solid waste collection services in bins/dumpsters and/or roll-off boxes to customers in the unincorporated areas of Los Angeles County. A list of approved waste haulers will be posted on our www.CleanLA.com in the near future. Enclosed is a list of all current waste haulers operating in Los Angeles County.

If you are not a commercial waste hauler with a Franchise Agreement by July 1, 2012, we ask that you terminate all bin/dumpster and/or roll-off trash collection contracts or accounts by June 30, 2012. Continued service within the unincorporated areas of Los Angeles County beyond that date will be a violation and subject to civil penalty pursuant to Section 20.70 et. seq. of the County Code.

If you are interested in applying for a non-exclusive commercial franchise, please contact the franchise hotline below as soon as possible to ensure your customers receive uninterrupted service.

Public Works appreciates your continued support and we look forward to working with you in providing quality commercial franchise services to unincorporated area customers.
