August 30, 2012

Mr. David Cieply  
General Manager  
Sunshine Canyon Landfill  
14747 San Fernando Road  
Sylmar, CA 91342

Dear Mr. Cieply:

**PROGRESS OF REVEGETATION EFFORTS  
SUNSHINE CANYON CITY/COUNTY LANDFILL**

The Los Angeles County Solid Waste Management Committee/Integrated Waste Management Task Force (Task Force) would like to commend Republic Services, Inc., (Republic) for its continued revegetation efforts at the Sunshine Canyon Landfill and thank Republic for providing up-to-date information on activities at the landfill during the monthly meetings of the Task Force's Facility and Plan Review Subcommittee.

The Task Force encourages Republic to routinely and frequently perform weed abatement throughout the year to facilitate better establishment of native plants. It is particularly important that weed abatement be conducted prior to the hydroseeding campaign planned for this Fall so that weed species would not take away the nutrients needed to support native plants.

If you have any questions, please contact Mr. Mike Mohajer of the Task Force at (909) 592-1147 or by e-mail at [MikeMohajer@yahoo.com](mailto:MikeMohajer@yahoo.com).

Sincerely,

Margaret Clark, Vice-Chair  
Los Angeles County Solid Waste Management Committee/  
Integrated Waste Management Task Force and  
Council Member, City of Rosemead
