

C.A.R.E.

COORDINATED AGENCY RECOVERY EFFORT

C.A.R.E. is a multi-agency public outreach program to disseminate information about recovery efforts and potential storm impacts following the August/September 2009 California wildfires.

COUNTY TO HOLD PUBLIC INFORMATION MEETING REGARDING ROADWAY MANAGEMENT AND CONSTRUCTION PROJECTS IN ANGELES FOREST AND SIERRA HIGHWAY

- What:** A special public outreach meeting for residents in the Palmdale area regarding the County's road management program of Angeles Forest area roads during the winter rain season. In addition to the Angeles Forest roads management update, County officials will also discuss the construction worked scheduled for the final phases of the \$3.4 million road improvement project for Sierra Highway from State route 14 to Pearblossom Highway
- Who:** Los Angeles County Public Works Officials, an Antelope Valley – East Kern Water Agency Official and representatives from local, state, and federal elected officials' offices.
- When:** Thursday, December 17, 2009, from 6:45 p.m. to 8 p.m.
- Where:** City of Palmdale's Larry Chibole Cultural Center – Joshua Room. The Center is located at 38350 Sierra Highway, Palmdale, CA 93550.
- Why:** This outreach meeting is part of a multi-communications directive issued by Supervisor Antonovich to keep Antelope Valley area residents affected by road closures in and around the Angeles Forest burn area informed on the County's action to close and reopen the roads in response to inclement winter weather and the threat of debris flows.
