ROADS SET TO CLOSE DUE TO RAIN FORECAST AND POTENTIAL MUDFLOW

The Los Angeles County Public Works Department has advised that, based on the forecast of inclement weather and potential mud and debris flow events, public access to the following road segments will be closed. The closures will remain in effect until the storm system has passed and the roads have been inspected.

- Azusa: Old San Gabriel Canyon Rd from Azusa City boundary to the Angeles National Forest. Effective February 27, at 8 a.m.
- Angeles Nat'l Forest: Glendora Mountain Rd from Big Dalton Rd to East Fork Rd. Effective February 27, at 8 a.m.
- Angeles Nat'l Forest: Glendora Ridge Rd from Mt. Baldy to Glendora Mountain Rd. Effective February 27, at 8 a.m.
- Agua Dulce: Bouquet Canyon Rd from Big Oaks Lodge to two miles north of Vasquez Canyon Rd. Effective February 28, at 1 a.m.

Residents and motorists are urged to visit the CARE website at www.dpwcare.org for further updates on road conditions, or sign up to receive instant notifications through Public Works' eNotify system at www.dpw.lacounty.gov. Residents and motorists can also follow Public Works @dpwCARE for additional information on road conditions.

Residents, business owners, and persons with access or functional needs may also call 2-1-1 for LA County information and referral services regarding post-disaster resources that are available to those affected by the floods, debris, and mudflow. The toll-free 2-1-1 number is available 24-hours a day and 7-days a week. 211 LA County Services can also be accessed by visiting www.211la.org.
