

# C.A.R.E.

## COORDINATED AGENCY RECOVERY EFFORT

C.A.R.E. is a multi-agency public outreach program to disseminate information about recovery efforts and potential storm impacts following the August/September 2009 California wildfires.

(As of 2/27/10)

### REVISED PROTOCOLS FOR EXIT AND RE-ENTRY INTO EVACUATED AREAS

In the event evacuations are ordered in your area,  
Sheriff's Deputies will be following the exit and re-entry protocols as indicated below.

#### GREEN LEVEL

- No evacuation orders in effect.
- Unrestricted entry to the impacted areas.
- Residents advised to monitor weather and to be alert to the possibility of changes in evacuation orders.
- "No Parking During Rain Events" restrictions enforced. Residents are to remove vehicles, trash bins, and other obstruction from posted streets. Vehicles may be subject to tow.

#### YELLOW LEVEL

- Mandatory evacuations have been issued and residents in the indicated areas are ordered to leave.
- Residents refusing to evacuate will be asked to sign an Evacuation Refusal Form.
- Re-entry will be permitted at the discretion of the Sheriff's Department.
- Residents seeking re-entry into the evacuated areas will be required to sign a Liability Waiver.
- Re-entry shall be restricted to occupants and owners.
- "No Parking During Rain Events" restrictions enforced. Residents are to remove vehicles, trash bins, and other obstructions from posted streets. Vehicles may be subject to tow.

#### RED LEVEL

- Mandatory evacuations have been issued and residents in the indicated areas are ordered to leave.
- Residents refusing to evacuate will be asked to sign an Evacuation Refusal Form.
- Residents leaving the evacuated areas will not be allowed re-entry until evacuation orders have been lifted.
- "No Parking During Rain Events" restrictions enforced. Residents are to remove vehicles, trash bins, and other obstructions from the public streets. Vehicles may be subject to tow.
