

OLD CANYON AND FERNWOOD COMMUNITIES ROADWAY IMPROVEMENTS

Dear Neighbor:

The County of Los Angeles Department of Public Works is pleased to inform you of an upcoming roadway improvement project in your neighborhood.

The project, which will be built at no cost to the adjacent property owners, consists of resurfacing and reconstruction of the existing roadway pavement. This project is located within the County unincorporated communities of Old Canyon and Fernwood. Please see map on back of flyer for the project limits. The project cost will be financed with State Proposition 1B transportation bond funds.

Access to the properties within the project limits will be maintained during construction, except for short periods when it is impractical to do so. Additional information, including the names and telephone numbers of Public Works personnel to contact regarding construction activities will be provided to the adjacent residents and businesses prior to the start of construction.

Construction is tentatively scheduled to start in the summer of 2014 and will take approximately 2 months to complete for all roads within the project scope: Basin Drive, Cave Way, Topanga Skyline Drive, Vesey Road and Jando Drive. If you have any questions regarding this project, please contact Ghazi Razvi, Project Manager, at (626) 458-5198 or grazvi@dpw.lacounty.gov between 7:15 a.m. and 6 p.m., Monday through Thursday.
