Re: Proposed "Easterly Annexation District No. 165" to the City of West Covina

Dear Miss Preston:

At the meeting held on March 30, 1960, the County Boundary Commission reviewed the boundary description and map submitted by you, with your letter of March 10, 1960, of the proposed annexation of territory to the City of West Covina.

Pursuant to your letter of March 18, 1960, authorizing and requesting alteration of the boundaries as initially submitted, the boundaries were revised to include a strip of land in the San Bernardino Freeway lying between the existing city boundary and the southerly boundary of the freeway to avoid violation of the Government Code.

The boundaries do not create islands or corridors of unincorporated territory and conform with record lines and lines of ownership.

Also, this proposed annexation is entirely within the boundaries of the proposed incorporation of the City of Highland Knolls, as filed with the Commission on March 22, 1960.

Upon recommendation of the County Engineer, revisions were made in the boundary description to provide the definiteness and certainty intended under the provisions of Section 35002 of the Government Code.

With these revisions, the County Boundary Commission approved the boundaries of the above proposed annexation. A copy of the approved revised legal description and a list of special districts involved are enclosed for your use.

Very truly yours,

GORDON T. NESVIG
