Dear Mr. Dixon:

This is to advise you that "Annexation District No. 12, 1952" to the City of Whittier will not be entered on the 1953 assessment roll as property within your City, because the filing with this office was not made on or before February 1 of this year.

We shall of course have our records changed for the 1954 assessment roll to include this property in the City of El Monte.

Re: Proposed Annexation No. 12, 1952 to the City of Whittier.

Dear Sir:

At the meeting held on November 13, 1952, the County Boundary Commission reviewed the legal description of boundaries and map submitted October 23, 1952 by you for the above named proposed annexation to the City of Whittier.

The County Surveyor called to the attention of the Commission that although the description could be approved within the meaning of Section 35002 of the Government Code, certain minor changes were desirable to clarify and perfect some of the references. Said minor changes would make no changes in the location of the boundaries shown on your map.

The County Boundary Commission approved the boundaries description submitted by you and the alternate boundaries recommended by the County Surveyor and respectfully suggests the alternate boundaries be used in all proceedings relating to the proposed annexation.

Very truly yours,

Attention: Mr. Ray E. Lee
Secretary

Dear Sir:

Pursuant to your request of October 28, regarding the proposed "Annex No. 12, 1952" to the City of Whittier, we have reviewed the legal description of the boundary submitted by the City and find that, although the description can be approved by the Commission as to definiteness and certainty in accordance with the provisions of Section 35002 of the Government Code, certain minor changes are desirable to clarify and perfect some of the references.

Therefore, we have prepared the attached revised description of boundaries, which we recommend that the Commission approve as an alternate recommended description and forward to the City of Whittier.

Also, on maps showing this annexation we have indicated the location of existing special district boundaries in relation to the proposed city boundary.

All original papers regarding this matter are attached.
