Re: Proposed annexation to the City of Whittier, Annex No. 7.

Dear Sir:

At the meeting held on December 2, 1953, the County Boundary Commission reviewed the boundary description and map submitted on November 17, 1953, by you for the above proposed annexation to the City of Whittier.

The County Surveyor called to the attention of the Commission that although the description could be approved within the meaning of Section 35002 of the Government Code, certain minor changes were desirable to clarify and perfect some of the references. Said minor changes would make no change in the location of the boundaries shown on your map.

The County Boundary Commission approved the boundary description submitted by you and the alternate description recommended by the County Surveyor and respectfully suggests the alternate description be used in all proceedings relating to the proposed annexation.

Very truly yours,

Ray E. Lee

Attention: Mr. Ray E. Lee
Secretary

Dear Sir:

Pursuant to your request of November 18, regarding the proposed Annex No.7, 1953 to the City of Whittier, we have reviewed the legal description of the boundary submitted by the City and find that, although the description can be approved by the Commission as to definiteness and certainty in accordance with the provisions of Section 35002 of the Government Code, certain minor changes are desirable to clarify and perfect some of the references.

Therefore, we have prepared the attached revised description of boundaries, which we recommend that the Commission approve as an alternate recommended description and forward to the City of Whittier.

A map showing this proposed annexation, and all original papers regarding this matter are enclosed.
