Re: Proposed Annexation No. 14,
1958 to the City of Whittier

Dear Sir:

At the meeting held on October 8, 1958, the County Boundary Commission reviewed the boundary description and map submitted by G. E. Ramsey, Design Engineer of the City of Whittier, with his letter of September 25, 1958, of the proposed annexation of territory to the City of Whittier.

This annexation is dependent upon prior completion of proposed "Annex No. 10, 1958" for contiguity.

Upon recommendation of the County Engineer slight revisions were made in the boundary description to provide the definiteness and certainty intended under the provisions of Section 35002 of the Government Code.

With these revisions, the County Boundary Commission approved the boundaries of the above proposed annexation. A copy of the approved revised legal description and a list of special districts involved are enclosed for your use.

Very truly yours,

Gordon T. Nesvig
