RETURN TO LOS ANGELES COUNTY SURVEYOR

Note

L.S. 7-44 & F.B. 61-116 call for a 2" IP @ this point. But from my measurements it should fall about one foot east of this 3/4" I.P. I dug around the 3/4" I.P. and found it is set in an old R.W. stake. I then got permission to remove a corner of stone wall and dug a hole 3 ft. in dia. and 3 ft. deep. There was evidence of a fill down to this depth but at this depth we struck the old river bed but could not find the 2" I.P.
