To reestablish line between PI #28 & POST #29A

Note - POT #26A, PI #27 and POST #29A have been torn out by the construction of a narrow road. As I must reestablish line between PI #28 and POST #29A, I calculate angle between PI #26 and Post #29A, at PI #28, turn same and chain record distance to set POST #29A. Oct. 6, 1932 CEB.

See pg. 99 for line North

This Corner was shown to me by an old Forestry Ranger (Mr. Sitler) He worked on the Survey made by the Gormnt. under Surveyor Friedhoff in Apr. 1918(?) He claims there was an old 4X4 marked 1/4S on it, and that this new one replaces it. He showed me the old survey.
