HENNINGER FLATS

NEW PROPERTY LINES ON PARCELS RECEIVED FROM THE UNITED STATES GOVT.

NOTE. This survey was made by Hellstrom's party working under the supervision of Wm. Leonard, a surveyor in the employ of the U.S. Forest Service who was sworn in as a Deputy U.S. Surveyor for the purpose of making this survey. The monuments set were furnished by the U.S. Forest Service. Corners were set as directed by Leonard following instructions furnished to him by the U.S. Land Office.

This Survey then has the status of an official U.S. Land Office Survey. Leonard is to send an official set of notes of this survey to the U.S. Land Office. Bearings shown in the field notes were based on a Solar Observation.
