

# LOS ANGELES COUNTY FLOODPLAIN MANAGEMENT PLAN

## DRAFT TABLE OF CONTENTS

---

### Executive Summary

### PART 1 — PLANNING PROCESS AND PROJECT BACKGROUND

|                                                                 |            |
|-----------------------------------------------------------------|------------|
| <b>Chapter 1. Introduction.....</b>                             | <b>2-1</b> |
| 1.1 Why Prepare This Plan?.....                                 | 2-1        |
| 1.2 CRS Steps for Comprehensive Floodplain Management Plan..... | 2-1        |
| 1.3 Previous Floodplain Management Plans.....                   | 2-2        |
| 1.4 How to Use This Plan .....                                  | 2-2        |
| <b>Chapter 2. Plan Development Methodology.....</b>             | <b>2-1</b> |
| 2.1 Formation of the Planning Team .....                        | 2-1        |
| 2.2 Defining the Planning Area.....                             | 2-1        |
| 2.3 The Steering Committee .....                                | 2-2        |
| 2.4 Coordination with Other Agencies .....                      | 2-2        |
| 2.5 Review of Existing Programs .....                           | 2-3        |
| 2.6 Public Involvement .....                                    | 2-3        |
| 2.6.1 Strategy .....                                            | 2-4        |
| 2.6.2 Public Involvement Results.....                           | 2-12       |
| 2.7 Plan Development Chronology/Milestones .....                | 2-12       |
| <b>Chapter 3. Los Angeles County Profile .....</b>              | <b>3-1</b> |
| 3.1 Historical Overview .....                                   | 3-1        |
| 3.2 Physical Setting.....                                       | 3-3        |
| 3.2.1 Topography .....                                          | 3-3        |
| 3.2.2 Geology and Soils .....                                   | 3-3        |
| 3.2.3 Drainage .....                                            | 3-4        |
| 3.2.4 Climate .....                                             | 3-6        |
| 3.3 Critical Facilities and Infrastructure .....                | 3-6        |
| 3.4 Demographics .....                                          | 3-9        |
| 3.4.1 Population Characteristics.....                           | 3-10       |
| 3.4.2 Income.....                                               | 3-11       |
| 3.4.3 Age Distribution.....                                     | 3-11       |
| 3.4.4 Race, Ethnicity and Language.....                         | 3-12       |
| 3.4.5 Disabled Populations.....                                 | 3-13       |
| 3.5 Economy .....                                               | 3-13       |
| 3.5.1 Industry, Businesses and Institutions .....               | 3-13       |
| 3.5.2 Employment Trends and Occupations .....                   | 3-14       |
| <b>Chapter 4. Relevant Programs and Regulations.....</b>        | <b>4-1</b> |
| 4.1 Federal.....                                                | 4-1        |
| 4.1.1 Disaster Mitigation Act of 2000.....                      | 4-1        |
| 4.1.2 National Flood Insurance Program .....                    | 4-1        |
| 4.1.3 The Community Rating System .....                         | 4-2        |
| 4.1.4 Endangered Species Act.....                               | 4-2        |

|        |                                                                            |     |
|--------|----------------------------------------------------------------------------|-----|
| 4.1.5  | The Clean Water Act.....                                                   | 4-4 |
| 4.2    | State .....                                                                | 4-4 |
| 4.2.1  | California General Planning Law.....                                       | 4-4 |
| 4.2.2  | California Environmental Quality Act .....                                 | 4-5 |
| 4.2.3  | AB 162: Flood Planning, Chapter 369, Statutes of 2007 .....                | 4-5 |
| 4.2.4  | AB 2140: General Plans: Safety Element, Chapter 739, Statutes of 2006..... | 4-6 |
| 4.2.5  | AB 70: Flood Liability, Chapter Number 367, Statutes of 2007 .....         | 4-6 |
| 4.2.6  | AB 32: The California Global Warming Solutions Act.....                    | 4-6 |
| 4.2.7  | Senate Bill 97 .....                                                       | 4-7 |
| 4.2.8  | California State Building Code .....                                       | 4-7 |
| 4.2.9  | Standardized Emergency Management System .....                             | 4-7 |
| 4.2.10 | California State Hazard Mitigation Plan .....                              | 4-7 |
| 4.2.11 | Governor’s Executive Order S-13-08 .....                                   | 4-8 |
| 4.3    | Local .....                                                                | 4-8 |
| 4.3.1  | General Plan .....                                                         | 4-8 |
| 4.3.2  | Other Local Program or Plan .....                                          | 4-8 |
| 4.3.3  | Other Local Program or Plan .....                                          | 4-8 |
| 4.3.4  | Other Local Program or Plan .....                                          | 4-8 |
| 4.4    | Capability Assessment .....                                                | 4-8 |

## PART 2 — RISK ASSESSMENT

|                                                                 |            |
|-----------------------------------------------------------------|------------|
| <b>Chapter 5. Risk Assessment Methodology .....</b>             | <b>5-1</b> |
| 5.1 Purpose of Risk Assessment .....                            | 5-1        |
| 5.2 Risk Assessment Approach.....                               | 5-1        |
| 5.2.1 FEMA’s Hazus-MH Software.....                             | 5-1        |
| 5.2.2 Application for This Plan .....                           | 5-2        |
| 5.2.3 Limitations .....                                         | 5-3        |
| <b>Chapter 6. Los Angeles County Flood Hazard Profile .....</b> | <b>6-1</b> |
| 6.1 General Concepts .....                                      | 6-1        |
| 6.1.1 Measuring Floods and Floodplains .....                    | 6-1        |
| 6.1.2 Floodplain Ecosystems.....                                | 6-2        |
| 6.1.3 Effects of Human Activities .....                         | 6-2        |
| 6.2 Principal Flooding Sources in Los Angeles County .....      | 6-2        |
| 6.2.1 Riverine Flooding .....                                   | 6-2        |
| 6.2.2 Tidal Flooding.....                                       | 6-3        |
| 6.2.3 Flash Flooding.....                                       | 6-3        |
| 6.2.4 Urban Flooding .....                                      | 6-3        |
| 6.3 Major Flood Events.....                                     | 6-3        |
| 6.3.1 Event Date, Declaration #, Type .....                     | 6-4        |
| 6.3.2 Event Date, Declaration #, Type .....                     | 6-4        |
| 6.3.3 Event Date, Declaration #, Type .....                     | 6-4        |
| 6.3.4 Event Date, Declaration #, Type .....                     | 6-4        |
| 6.3.5 Event Date, Declaration #, Type .....                     | 6-4        |
| 6.4 Location .....                                              | 6-4        |
| 6.5 Frequency.....                                              | 6-7        |
| 6.6 Severity .....                                              | 6-7        |
| 6.7 Warning Time .....                                          | 6-7        |
| 6.8 Secondary Hazards.....                                      | 6-10       |
| 6.9 Climate Change.....                                         | 6-10       |
| 6.9.1 Hydrology .....                                           | 6-10       |

|                                                       |            |
|-------------------------------------------------------|------------|
| 6.9.2 Sea Level Rise.....                             | 6-11       |
| 6.10 Future Trends .....                              | 6-12       |
| 6.11 Scenario.....                                    | 6-12       |
| 6.12 Issues.....                                      | 6-13       |
| <b>Chapter 7. Risk Assessment .....</b>               | <b>7-1</b> |
| 7.1 Flood Hazard Exposure.....                        | 7-1        |
| 7.1.1 Population .....                                | 7-1        |
| 7.1.2 Property .....                                  | 7-1        |
| 7.1.3 Critical Facilities and Infrastructure.....     | 7-5        |
| 7.1.4 Environment.....                                | 7-8        |
| 7.2 Flood Hazard Vulnerability .....                  | 7-9        |
| 7.2.1 Population .....                                | 7-9        |
| 7.2.2 Property .....                                  | 7-11       |
| 7.2.3 Critical Facilities and Infrastructure.....     | 7-16       |
| 7.2.4 Environment.....                                | 7-16       |
| <b>Chapter 8. Repetitive Loss Area Analysis .....</b> | <b>8-1</b> |

### **PART 3 — MITIGATION STRATEGY**

|                                                                 |             |
|-----------------------------------------------------------------|-------------|
| <b>Chapter 9. Guiding Principle, Goals and Objectives .....</b> | <b>9-1</b>  |
| 9.1 Guiding Principles .....                                    | 9-1         |
| 9.2 Goals .....                                                 | 9-1         |
| 9.3 Objectives .....                                            | 9-2         |
| <b>Chapter 11. Mitigation Initiatives .....</b>                 | <b>11-1</b> |
| 11.1 Mitigation Alternatives .....                              | 11-1        |
| 11.2 Selected Mitigation Initiatives .....                      | 11-1        |
| 11.3 Benefit/Cost review .....                                  | 11-9        |
| 11.4 Action Plan Prioritization.....                            | 11-9        |
| 11.5 Analysis of Mitigation Initiatives .....                   | 11-11       |

### **PART 4 — PLAN MAINTENANCE**

|                                                         |             |
|---------------------------------------------------------|-------------|
| <b>Chapter 12. Plan Adoption .....</b>                  | <b>12-1</b> |
| <b>Chapter 13. Plan Maintenance Strategy .....</b>      | <b>13-1</b> |
| 13.1 Plan Implementation .....                          | 13-1        |
| 13.2 Program for Public Involvement.....                | 13-1        |
| 13.3 Steering Committee .....                           | 13-1        |
| 13.4 Annual Progress Report .....                       | 13-2        |
| 13.5 Plan Update .....                                  | 13-2        |
| 13.6 Continuing Public Involvement .....                | 13-3        |
| 13.7 Incorporation into Other Planning Mechanisms ..... | 13-3        |
