

Los Angeles County Municipal Storm Water Permit (Order 01-182)**Individual Annual Report Form****Attachment U-4**

This form summarizes the requirements in Order No. 01-182. Each Permittee must complete this form in its entirety, except for those requirements applicable only to the Principal Permittee. Only report activities that were performed during the previous fiscal year. Upon completion, this form shall be submitted to the Principal Permittee, by the date specified by the Principal Permittee, for inclusion in the unified Annual Storm Water Program Report. Attachments should be included where necessary to provide sufficient information on program implementation.

The goals of this Report are to: 1) concisely document implementation of the Storm Water Quality Management Program (SQMP) during the past fiscal year; 2) evaluate program results for continuous improvement; 3) to determine compliance with Order 01-182; and 4) to share this information with other Permittees, municipal decision makers, and the public.

!	YOU MUST FILL OUT ALL THE INFORMATION REQUESTED <i>Do not leave any of the sections blank.</i>
N/A	If the question does not apply to your municipality, please indicate N/A in the space provided and provide a brief explanation
U	If the information requested is currently unavailable, please indicate U in the space provided and give a brief explanation.

This Report Form consists of the following sections:

SECTION	PAGE
I. Program Management	2-4
II. Receiving Water Limitations	5
III. SQMP Implementation	5-7
IV. Special Provisions	8
IV.A. Public Information and Participation Program	8-14
IV.B. Industrial/Commercial Facilities Program	15-17
IV.C. Development Planning Program	18-21
IV.D. Development Construction Program	22-23
IV.E. Public Agency Activities Program	24-33
IV.F. IC/ID Elimination Program	34-37
V. Monitoring	38
VI. Assessment of Program Effectiveness	38
VII. Certification	39

Los Angeles County Municipal Storm Water Permit (Order 01-182)**Individual Annual Report Form****Attachment U-4****Reporting Year 2011- 2012****I. Program Management**A. Permittee Name: CITY OF WALNUTB. Permittee Program Supervisor: ALICIA JENSEN

Title: Senior Management Analyst

Address: 21201 La Puente Road

City: Walnut

Zip Code: 91789-2018

Phone: 909-598-5605

Fax: 909-598-2160

- C. In the space below, briefly describe how the storm water program is coordinated within your agency's departments and divisions. Include a description of any problems with coordination between departments. To facilitate this, complete the Table 1.

Walnut is a contract city with the administration of the NPDES permit requirements, storm drain maintenance, street sweeping, trash collection and landscape maintenance under private contract coordinated through the permittee program supervisor.

TABLE 1 - Program Management

Storm Water Management Activity	Division/Department	# of Individuals Responsible for Implementing
1. Outreach & Education	Walnut Comm Svcs Dept/RKA Consulting	10
2. Industrial/Commercial Inspections	LADPW, RKA Consulting	4
3. Construction Permits/Inspections	LADPW, RKA Consulting	6
4. IC/ID Inspections	LADPW, RKA Consulting	7
5. Street sweeping	RF Dickson	3
6. Catch Basin Cleaning	LADPW	4
7. Spill Response	LADPW, Walnut Comm Svcs, RKA Consulting	4
8. Development Planning (project/SUSMP review and approval)	RKA Consulting	4
9. Trash Collection	Walnut Comm Svcs Dept	1

Los Angeles County Municipal Storm Water Permit (Order 01-182)

Individual Annual Report Form

Attachment U-4

D. Staff and Training

Attach a summary of staff training over the last fiscal year. This shall include the staff name, department, type of training, and date of training.

E. Budget Summary

1. Does your municipality have a storm water utility? Yes No
If no, describe the funding source(s) used to implement the requirements of Order No. 01-182.

NPDES program implementation is included in the Walnut General Fund Budget items with some plan review and inspection fees included in plan check and permit fees, and some projects funded through Waste Management Admin Fund (AB939), Recycling Rebate, Used Oil Recycling Grant and Prop C funds.

2. Are the existing financial resources sufficient to accomplish all required activities? Yes No
3. Complete Table 2 to the extent that accurate information is available (indicate U in the spaces where the information is unavailable), and report any supplemental dedicated budgets for the same categories on the lines below the table.
4. List any additional state/federally funded projects related to storm water.

None.

Los Angeles County Municipal Storm Water Permit (Order 01-182)

Individual Annual Report Form

Attachment U-4

TABLE 2

Program Element	Expenditures in Previous Fiscal Year	Estimated Amount Needed to implement Order 01-182
1. Program management a. Administrative costs b. Capital costs	12,500	15,500
2. Public Information and Participation a. Public Outreach/Education b. Employee Training c. Corporate Outreach d. Business Assistance	3,000	3,000
3. Industrial/Commercial inspection/ site visit activities	2,000	2,000
4. Development Planning	3,000	3,000
5. Development Construction a. Construction inspections	3,000	3,000
6. Public Agency Activities a. Maintenance of structural and treatment control BMPs b. Municipal street sweeping c. Catch basin cleaning d. Trash collection/recycling e. Capital costs f. Other	3,000	3,000
7. IC/ID Program a. Operations and Maintenance b. Capitol Costs		
8. Monitoring	2,500	2,500
9. Other		
10. TOTAL	\$ 29,000	\$ 32,000

List any supplemental dedicated budgets for the above categories:

None.

List any activities that have been contracted out to consultants/other agencies:

Consultants contracted for activities except Public Education, Outreach and Used Oil Collection Program.

**Los Angeles County Municipal Storm Water Permit (Order 01-182)
Individual Annual Report Form
Attachment U-4**

II. Receiving Water Limitations (Part 2)

- A. Are you aware, or have you been notified, of any discharges from your MS4 that cause or contribute to a condition of nuisance or to the violation of any applicable water quality standards? Yes No
- B. Has the Regional Board notified you that discharges from your MS4 are causing or contributing to an exceedance of water quality standards? Yes No
- C. If you answered Yes to either of the above questions, you must attach a Receiving Water Limitations (RWL) Compliance Report. The Report must include the following:
1. A description of the pollutants that are in exceedance and an analysis of possible sources;
 2. A plan to comply with the RWL (Permit, Part 2);
 3. Changes to the SQMP to eliminate water quality exceedances;
 4. Enhanced monitoring to demonstrate compliance; and
 5. Results of implementation.

III. SQMP Implementation (Part 3)

- A. Has your agency implemented the SQMP and any additional controls necessary to reduce the discharges of pollutants in storm water to the maximum extent practicable? Yes No
- B. If your agency has implemented additional or different controls than described in the countywide SQMP, has your agency developed a local SQMP that reflects the conditions in its jurisdiction and specifies activities being implemented under the appropriate elements described in the countywide SQMP? Yes No
- C. Describe the status of developing a local SQMP in the box below.

N/A. Using Countywide SQMP.

Los Angeles County Municipal Storm Water Permit (Order 01-182)

Individual Annual Report Form

Attachment U-4

- D. If applicable, describe an additional BMP, in addition to those in the countywide SQMP, that your city has implemented to reduce pollutants in storm water to the maximum extent practicable.

E. Watershed Management Committees (WMCs)

1. Which WMC are you in? **San Gabriel River**
2. Who is your designated representative to the WMC? **Alicia Jensen**
3. How many WMC meetings did you participate in last year? **6**
4. Describe specific improvements to your storm water management program as a result of WMC meetings.

Provides permit, legislative and development changes, updates on litigation proceedings, proposed TMDL developments, sampling schedules and results, BMP improvements, installations and performance, dissemination of educational information.

5. Attach any comments or suggestions regarding your WMC.

F. Storm Water Ordinance

1. Have you adopted a storm water and urban runoff ordinance to enforce all requirements of Order 01-182? Yes No
If not, describe the status of adopting such an ordinance.

2. If yes, have you already submitted a copy of the ordinance to the Regional Board? Yes No
If not, please attach a copy to this Report.

Los Angeles County Municipal Storm Water Permit (Order 01-182)

Individual Annual Report Form

Attachment U-4

3. Were any amendments made to your storm water ordinance during the last fiscal year? Yes No
If yes, attach a copy of amendments to this Report.

G. Discharge Prohibitions

1. List any non-storm water discharges you feel should be further regulated:

None.

2. List any non-storm water discharges you feel should be exempt, and provide an explanation for each:

None.

Los Angeles County Municipal Storm Water Permit (Order 01-182)

Individual Annual Report Form

Attachment U-4

IV. Special Provisions (Part 4)

A. Public Information and Participation (Part 4.B)

In addition to answering the following questions, attach a summary of all storm water education activities that your agency conducted or participated in last year.

1. No Dumping Message

a) How many storm drain inlets does your agency own? **539**

b) How many storm drain inlets were marked with a no dumping message in the last fiscal year? **539**

c) What is the total number of storm drain inlets that are legibly marked with a no dumping message? **539**

If this number is less than the number in question 1.b, describe why all inlets have not been marked, the process used to implement this requirement, and the expected completion date.

d) How many public access points to creeks, channels, and other water bodies within your jurisdiction have been posted with no dumping signage in the past year? **12**

Describe your agency's status of implementing this requirement by the date required in Order No. 01-182.

Completed.

**Los Angeles County Municipal Storm Water Permit (Order 01-182)
Individual Annual Report Form
Attachment U-4**

2. Reporting Hotline

- a) Has your agency established its own hotline for reporting and for general storm water management information? Yes No
- b) If so, what is the number?
- c) Is this information listed in the government pages of the telephone book? Yes No
- d) If no, is your agency coordinated with the countywide hotline? Yes No
- e) Do you keep record of the number of calls received and how they were responded to? Yes No
- f) How many calls were received in the last fiscal year?
- g) Describe the process used to respond to hotline calls.

City website and general information regarding storm water requests residents to contact City Environmental Services and/or 1-888CLEANLA

- h) Have you provided the Principal Permittee with your current reporting contact information? Yes No
- i) Have you compiled a list of the general public reporting contacts for all Permittees and posted it on the www.888CleanLA.com web site (Principal Permittee only)? Yes No
If not, when is this scheduled to occur?

3. Outreach and Education

- a) Describe the strategy developed to provide outreach and bilingual materials to target ethnic communities. Include an explanation of why each community was chosen as a target, how program effectiveness will be determined, and status of implementation. (Principal Permittee only)

Los Angeles County Municipal Storm Water Permit (Order 01-182)

Individual Annual Report Form

Attachment U-4

- b) Did the Principal Permittee organize quarterly Public Outreach Strategy meetings that you were aware of? Yes No

How many Public Outreach Strategy meetings did your agency participate in last year? 4

Explain why your agency did not attend any or all of the organized meetings.

Identify specific improvements to your storm water education program as a result of these meetings:

Ability to quickly disseminate information to residents and business contacts by using brochures, artwork, tip cards, psa announcements as well as reducing costs and increasing impressions by participating in County programs.

List suggestions to increase the usefulness of quarterly meetings:

Webcast of meetings has been very helpful. It would be helpful to hear more success stories of BMP implementation on a limited budget. Guest speakers from other agencies involved in stormwater pollution prevention (such as the Coast Guard) would also be interesting.

If quarterly Public Outreach Strategy meetings were not organized, explain why not and when this requirement will be implemented (*Principal Permittee only*).

- c) Approximately how many impressions were made last year on the general public about storm water quality via print, local TV, local radio, or other media? 70,000
- d) Describe efforts your agency made to educate local schools on storm water pollution.

City staff met with environmental clubs from local high school and middle school. City staff also arranged for Elementary afterschool program visits to educate children. A field trip to a local recycling plant was also conducted for the afterschool program. All schools received information describing programs through County Outreach program and posters, flyers and tip cards placed in City Hall, library and teen center and on the City website.

Los Angeles County Municipal Storm Water Permit (Order 01-182)

Individual Annual Report Form

Attachment U-4

- e) Did you provide all schools within each school district in Los Angeles County with materials necessary to educate a minimum of 50 percent of all school children (K-12) every 2 years on storm water pollution (*Principal Permittee only*)? Yes No

If not, explain why.

- f) Describe the strategy developed to measure the effectiveness of in-school educational programs, including assessing students' knowledge of storm water pollution problems and solutions before and after educational efforts (*Principal Permittee only*).

For Permit Years 2-5, attach an assessment of the effectiveness of in-school storm water education programs.

- g) What is the behavioral change target that was developed based on sociological data and other studies (*Principal Permittee only*)?

If no target has been developed, explain why and describe the status of developing a target.

What is the status of meeting the target by the end of Year 5?

Los Angeles County Municipal Storm Water Permit (Order 01-182)

Individual Annual Report Form

Attachment U-4

4. Pollutant-Specific Outreach

- a) Attach a description of each watershed-specific outreach program that your agency developed (*Principal Permittee only*). All pollutants listed in Table 1 (Section B.1.d.) must be included.
- b) Did your agency cooperate with the Principal Permittee to develop specific outreach programs to target pollutants in your area? Yes No
- c) Did your agency help distribute pollutant-specific materials in your city? Yes No
- d) Describe how your agency has made outreach material available to the general public, schools, community groups, contractors and developers, etc...

Materials available online (City website). Hard copies placed in City Hall, library, senior center and teen center; psa announcements ran on city cable channel; HHW events advertised in City Planner & Service Guide, recreation guide (mailed to residents and businesses) and local publications; tlp cards placed and used oil collection centers advertised in autoparts and service businesses; booths with stormwater, used oil and HHW information at Annual Family Festival. Sent environmental-focused calendar to all residents.

5. Businesses Program

- a) Briefly describe the Corporate Outreach Program that has been developed to target gas stations and restaurant chains (*Principal Permittee only*).

- b) How many corporate managers did your agency (*Principal Permittee only*) reach last year?
- c) What is the total number of corporations to be reached through this program (*Principal Permittee only*)?
- d) Is your agency meeting the requirement of reaching all gas station and restaurant corporations once every two years (*Principal Permittee only*)? Yes No
If not, describe measures that will be taken to fully implement this requirement.

Los Angeles County Municipal Storm Water Permit (Order 01-182)

Individual Annual Report Form

Attachment U-4

- e) Has your agency developed and/or implemented a Business Assistance Program? Yes No
 If so, briefly describe your agency's program, including the number of businesses assisted, the type of assistance, and an assessment of the program's effectiveness.

Assists with location, demographics, training resources, incentive programs, safety, marketing and promotion. City maintains business directory and monument sign program for business centers. Quarterly newsletter lists business information and services and information about various agency business promotion programs is provided. 260 businesses assisted. BMP flyers posted on web and at City Hall.

6. Did you encourage local radio stations and newspapers to use public service announcements? Yes No
 How many media outlets were contacted? 7
 Which newspapers or radio stations ran them?

Walnut/Diamond Bar Weekly, The Weekly News, Highlander, San Gabriel Valley Tribune, Life in Walnut (quarterly), WCTV-56 (local cable), Walnut Patch.

Who was the audience?

Residences and businesses within the 91789 zip code (which covers the City of Walnut and some surrounding communities)

7. Did you supplement the County's media purchase by funding additional media buys? Yes No
 Estimated dollar value/in-kind contribution:
 Type of media purchased:
 Frequency of the buys:
 Did another agency help with the purchase? Yes No

8. Did you work with local business, the County, or other Permittees to place non-traditional advertising? Yes No
 If so, describe the type of advertising.

HHW pick-up for the disabled, seniors and in-home business with Chinese translations. Used Oil Collection Center information provided via events and website to all residents. Promoted Pet Waste stations (installed at all City Parks) at City Special Events. Ongoing dedicated environmental page in the City's Recreation Guide sponsored by the City's waste hauler.

Los Angeles County Municipal Storm Water Permit (Order 01-182)

Individual Annual Report Form

Attachment U-4

9. Did you establish local community partnerships to distribute educational storm water pollution prevention material? Yes No

Describe the materials that were distributed:

Flyers, brochures, tip cards, postcards, calendar & BMP flyers.

Who were the key partners? **Automotive and service businesses**

Who was the audience (businesses, schools, etc.)?

Customers and clients of Firestone Complete Auto Care, The Oilman, O'Reilly Auto Parts, Walnut Chevron, Walnut Unocal, Car Audio Craftsman, Mobil Xpress Lube, The Tintman, Walnut Library and Gymnasium/Teen Center, and local environmental clubs.

10. Did you participate in or publicize workshops or community events to discuss storm water pollution? Yes No

How many events did you attend? **4**

11. Does your agency have a website that provides storm water pollution prevention information? Yes No

If so, what is the address? **www.ci.walnut.ca.us**

(Keyword: Storm Water)

12. Has awareness increased in your community regarding storm water pollution? Yes No

Do you feel that behaviors have changed? Yes No

Explain the basis for your answers. Include a description of any evaluation methods that are used to determine the effectiveness of your agency's outreach.

Calls into City office regarding street sweeping and recycling information have increased. There has been an increase in requests for used oil containers provided by the City to residents. To date, the City has installed pet waste stations at all local parks, which are being actively used (use and deposit of bags into collection stations has increased). Volunteer participation in environmental activities at community events continues to increase. Waste hauler continues to see an increase in use of recycling and green waste containers.

13. How would you modify the storm water public education program to improve it on the City or County level?

Continue to expand target audience and language translations. Continue to target youth to change behaviors at an early age and influence adult behavior. Conduct school presentations if funding was available

Individual Annual Report Form**

Attachment U-4

B. Industrial/Commercial Facilities Program

1. Critical Source Inventory Database

Did you (individually or jointly) update the Database for Critical Sources Inventory? Yes No

Comments/Explanation/Conclusion:

2. Inspection Program

Provide the reporting data as suggested in the following tables.

Category	Initial Number of Facilities at the start of cycle proposed for inspection by categories (after the initial year, the updated number based on the new data)	Number of facilities inspected in the current reporting year	% Completed at the time of this report for present cycle (from the initial value, and from the updated value after first cycle)	Total number since permit adoption
Landfills	0			
TSDF	0			
...				
Comments/Explanation/Conclusion:				

3. BMPs Implementation

Provide the reporting data as suggested in the following table.

**Los Angeles County Municipal Storm Water Permit (Order 01-182)
Individual Annual Report Form**

Attachment U-4

Category	Number of facilities inspected by category in this reporting year	Number of facilities identified as adequately implementing BMPs as specified in this reporting year	% adequately implementing out of total in this reporting year	Number of facilities required to implement or upgrade in this reporting year	Number of facilities inspected by category in this reporting cycle	Number of facilities identified as adequately implementing BMPs as specified in this reporting cycle	% adequately implementing out of total in this reporting cycle	Number of facilities required to implement or upgrade in this reporting cycle	Total Number during this permit adequately implementing	Total Number during this permit required to implement or upgrade
Landfills	0									
...										

Comments/Explanation/Conclusion:

4. Enforcement Activities

Provide the reporting data as suggested in the following tables.

Enforcement Actions by categories (e.g. Warning letter, NOV, referral to D.A., etc.)	Number of facilities issued enforcement actions in the current reporting year	Number of facilities issued enforcement actions in the current reporting cycle	Number of facilities (re)inspected due to enforcement actions in current reporting year	Number of facilities (re)inspected due to enforcement actions in current reporting year	Number of facilities (re)inspected due to enforcement actions in current reporting cycle	Number of facilities brought into compliance in the current reporting year	Number of facilities brought into compliance in current reporting cycle	Total number of enforcement actions since permit adoption (by category)
0	0	0	0	0	0	0	0	41

Facilities by category	Number of Warning letters	Number of NOVs	Number of Referral	Number of Other
Residential	0	0	0	0
Comments/Explanation/Conclusion:				

**Los Angeles County Municipal Storm Water Permit (Order 01-182)
Individual Annual Report Form**

Attachment U-4

5. Program Implementation Effectiveness Assessment

Please give a brief assessment of the implementation of the program in removing pollutants from the storm water discharges. Please provide an explanation. Suggested improvements or adjustments based on the knowledge gained through this reporting period activities must be reflected in a change in the SQMP, if warranted.

Highly Effective

Somewhat Effective

Non-effective

Comments/Explanation/Conclusion:

The City continues to decrease the amount of pollutants from storm water discharges by clearing and cleaning creeks and channels and continued implementation of preventive measures, educating and encouraging business owners and developers and continued monitoring and inspections.

6. You must also submit a quarterly electronic submittal of your Industrial/Commercial Facilities Program activities.

Los Angeles County Municipal Storm Water Permit (Order 01-182)

Individual Annual Report Form

Attachment U-4

C. Development Planning Program (Part 4.D)

1. Does your agency have a process to minimize impacts from storm water and urban runoff on the biological integrity of natural drainage systems and water bodies in accordance with requirements under CEQA, Section 404 of the CWA, local ordinances, and other legal authorities? Yes No

Attach examples showing how storm water quality impacts were addressed in environmental documents for projects over the past year.

2. Does your agency have procedures to include the following requirements in all priority development and redevelopment projects:

- a) Maximize the percentage of permeable surfaces to allow more percolation of storm water into the ground? Yes No

- b) Minimize the quantity of storm water directed to impermeable surfaces and the MS4? Yes No

- c) Minimize pollution emanating from parking lots through the use of appropriate treatment control BMPs and good housekeeping practices? Yes No

- d) Provide for appropriate permanent measures to reduce storm water pollutant loads from the development site? Yes No

3. List the types and numbers of BMPs that your agency required for priority projects to meet the requirements described above.

Erosion control, sediment control, wind erosion control, tracking control, EC-1,2,5,7; SE-5,6,7,10; TC-1, WE-1, NS-1,3,7,8,9,10,12,13,14; WM-1,2,3,4,5,6,7,8,9,10; TC-30

4. Describe the status of the development or implementation of peak flow controls in Natural Drainage Systems.

All projects are reviewed for compliance, installation and implementation of BMPs.

Los Angeles County Municipal Storm Water Permit (Order 01-182)

Individual Annual Report Form

Attachment U-4

5. Has your agency amended codes and/or ordinances to give legal effect to the SUSMP changes required in the Permit? Yes No

6. Describe the process your agency uses to include SUSMP design standards in new development and redevelopment project approvals.

Project plans reviewed to insure SUSMP design standards are included for implementation and final approval for construction is not issued until all agencies have approved.

7. How many of each of the following projects did your agency review and condition to meet SUSMP requirements last year?

- a) Residential, Multi-use 2
- b) Commercial 0
- c) Industrial 0
- d) Automotive Service Facilities 0
- e) Retail Gasoline Outlets 0
- f) Restaurants 0
- g) Parking Lots 0
- h) Projects located in or directly adjacent to or discharging directly to an environmentally sensitive area 0
- i) Total number of permits issued to priority projects 0

8. What is the percentage of total development projects that were conditioned to meet SUSMP requirements? 0-5%

9. How has your agency prepared to reduce the SUSMP threshold for industrial/commercial facilities to 1 acre from 100,000 square feet in 2003?

Municipal code amendment adopted.

Los Angeles County Municipal Storm Water Permit (Order 01-182)

Individual Annual Report Form

Attachment U-4

- 10. After 2003, how many additional projects per year will require/did require implementation of SUSMP requirements as a result of the lower threshold? 1

- 11. Does your agency participate in an approved regional or sub-regional storm water mitigation program to substitute in part or wholly SUSMP requirements for new development? Yes No

- 12. Has your agency modified its planning procedures for preparing and reviewing CEQA documents to consider potential storm water quality impacts and provide for appropriate mitigation? Yes No

If no, provide an explanation and an expected date of completion.

- 13. Did your agency update any of the following General Plan elements in the past year?
 - a) Land Use Yes No
 - b) Housing Yes No
 - c) Conservation Yes No
 - d) Open Space Yes No

If yes, please describe how watershed and storm water quality and quantity management considerations were included.

Los Angeles County Municipal Storm Water Permit (Order 01-182)**Individual Annual Report Form****Attachment U-4**

14. How many targeted staff were trained last year? **3**
15. How many targeted staff are trained annually? **3-7**
16. What percentage of total staff are trained annually? **20-40%**
17. Has your agency developed and made available development planning guidelines? Yes No
18. If no, what is the expected date that guidelines will be developed and available to developers?
19. What is the status of completion of the technical manual for siting and design of BMPs for the development community?

All project reviews reference applicable storm water BMP Handbook per California Storm water BMP Handbook – copies maintained by NPDES coordinator and RKA Consulting.

Los Angeles County Municipal Storm Water Permit (Order 01-182)**Individual Annual Report Form****Attachment U-4****D. Development Construction Program**

1. Describe your agency's program to control runoff from construction activity at all construction sites within its jurisdiction.

BMPs are implemented as shown on approved plans and inspected throughout project, before prediction of a storm event and after any storm event occurrence.

2. Does your agency require the preparation, submittal, and implementation of a Local Storm Water Pollution Prevention Plan (Local SWPPP) prior to the issuance of a grading permit for all sites that meet one or all of the following criteria?

a) Will result in soil disturbance of one acre or greater Yes No

b) Is within, directly adjacent to, or is discharging directly to an environmentally sensitive area Yes No

c) Is located in a hillside area Yes No

3. Attach one example of a local SWPPP

4. Describe the process your agency uses to require proof of filing a Notice of Intent for coverage under the State General Construction Activity Storm Water permit and a certification that a SWPPP has been prepared prior to issuing a grading permit?

Plan review requirement – grading plan not approved for construction until copy of NOI with SWPPP have been reviewed and approved.

Los Angeles County Municipal Storm Water Permit (Order 01-182)

Individual Annual Report Form

Attachment U-4

- 5. How many building/grading permits were issued to sites requiring Local SWPPPs last year? 3
- 6. How many building/grading permits were issued to sites requiring coverage under the General Construction Activities Storm Water Permit last year? 0
- 7. How many building/grading permits were issued to construction site less than one acre in size last year? 85
- 8. How many construction sites were inspected during the last wet season? 50
- 9. Complete the table below.

Type of Violation	# of Violations	% of Total Inspections	# of Follow-up Inspections	# of Enforcement Actions
Off-site discharge of sediment	0	0	0	0
Off-site discharge of other pollutants	0	0	0	0
No or inadequate SWPPP	0	0	0	0
Inadequate BMP/SWPPP implementation	0	0	0	0

- 10. Describe the process for taking enforcement actions against construction site violations, including the types of actions that are taken.

Upon notification/observation of a violation, a site visit is conducted and contact made with the property owner or project manager/supervisor. A description of the violation, proper clean-up and preventive procedures with a time frame to complete are provided and follow-up inspection is conducted.

- 11. Describe the system that your agency uses to track the issuance of grading permits.

All projects are referenced by their plan review number (given at time of project submittal) and project location throughout the plan review process and through project completion.

Los Angeles County Municipal Storm Water Permit (Order 01-182)**Individual Annual Report Form****Attachment U-4****E. Public Agency Activities (Part 4.F)****1. Sewage System Maintenance, Overflow, and Spill Prevention
(only applicable to agencies that own and/or operate a sanitary sewer system)**

- a) Has your agency developed and implemented a response plan for sanitary sewer overflows that includes the requirements in Order 01-182? Yes No
- b) How many sanitary sewer overflows occurred within your jurisdiction? 0
- c) How many did your agency respond to? 0
- d) Did your agency investigate all complaints received? Yes No
- e) How many complaints were received? 0
- f) Upon notification, did your agency immediately respond to overflows by containment? Yes No
- g) Did your agency notify appropriate sewer and public health agencies when a sewer overflowed to the MS4? Yes No
- h) Did your agency implement a program to prevent sewage spills or leaks from sewage facilities from entering the MS4? Yes No

If so, describe the program:

City street maintenance crew will immediately isolate the spill area to prevent entrance to MS4 and contact LADPW for clean-up

- i) Did your agency implement a program to identify, repair, and remediate sanitary sewer blockages, exfiltration, overflow, and wet weather overflows from sanitary sewers to the MS4? Yes No

If so, describe the program:

Los Angeles County Municipal Storm Water Permit (Order 01-182)

Individual Annual Report Form

Attachment U-4

LADPW maintenance contract.

2. Public Construction Activities Management

a) What percentage of public construction sites 5 acres or greater in size did your agency obtain coverage under the State of California General Construction Activities Storm Water Discharge Permit ? 0 %

b) Give an explanation for any sites greater than 5 acres that were not covered:

[Empty box for explanation]

c) What is the total number of active public construction sites? 0
How many were 5 acres or greater in size? 0

d) (After March, 2003) Did your agency obtain coverage under the State of California General Construction Activities Storm Water Discharge Permit coverage for public construction sites for sites one acre or greater? Yes [] No [X]

3. Vehicle Maintenance/Material Storage Facilities/Corporation Yards Management

a) Did your agency implement pollution prevention plans for each public vehicle maintenance facility, material storage facility, and corporation yard? Yes [X] No []

[Empty box for details]

Los Angeles County Municipal Storm Water Permit (Order 01-182)

Individual Annual Report Form

Attachment U-4

b) Briefly describe how your agency implements the following, and any additional, BMPs to minimize pollutant discharges in storm water:

- (1) Good housekeeping practices
- (2) Material storage control
- (3) Vehicle leaks and spill control
- (4) Illicit discharge control

Monthly inspections conducted by Environmental Coordinator with use of checklist of BMPs to determine if in place, if problems, solution determined. An annual inspection is conducted by the Environmental Coordinator with respective managers assisting in their areas. Upon completion, BMPs are evaluated to their effectiveness and if changes are needed.

c) Are all Permittee owned and/or operated vehicle/equipment wash areas self-contained, covered, equipped with a clarifier, and properly connected to the sanitary sewer? Yes No

If not, what is the status of implementing this requirement?

d) How many Permittee owned and/or operated vehicle/equipment wash areas are scheduled to be redeveloped to include the BMPs listed above?

4. Landscape and Recreational Facilities Management

a) Has your agency developed a standardized protocol for the routine and non-routine application of pesticides, herbicides (including pre-emergents), and fertilizers? Yes No

Briefly describe this protocol:

Los Angeles County Municipal Storm Water Permit (Order 01-182)

Individual Annual Report Form

Attachment U-4

Monthly inspections conducted by Environmental Coordinator with use of checklist of BMPs to determine if in place, if problems, solution determined. An annual inspection is conducted by the Environmental Coordinator with respective managers assisting in their areas. Upon completion, BMPs are evaluated to their effectiveness and if changes are needed.

- b) How does your agency ensure that there is no application of pesticides or fertilizers immediately before, during, or immediately after a rain event or when water is flowing off the area to be applied?

Application procedures and schedules approved by Community Services Director.

- c) Are any banned pesticides, herbicides, fungicides, or rodenticides stored or applied in your agency's jurisdiction that you know of?

Yes No

If so, list them:

- d) What percentage of your agency's staff that apply pesticides are certified by the California Department of Food and Agriculture, or are under the direct supervision of a certified pesticide applicator?

100%

- e) Describe procedures your agency has implemented to encourage retention and planting of native vegetation and to reduce water, fertilizer, and pesticide needs:

Landscaping design of projects requires plan review and approval prior to planting.

Los Angeles County Municipal Storm Water Permit (Order 01-182)

Individual Annual Report Form

Attachment U-4

5. Storm Drain Operation and Management

a) Did your agency designate catch basin inlets within its jurisdiction as Priority A; Priority B; and Priority C? Yes No

b) How many of each designation exist in your jurisdiction?

Priority A: 0

Priority B: 0

Priority C: 539

c) Is your city subject to a trash TMDL? Yes No

d) If yes, describe the activities and/or implementation measures that your agency conducted pursuant to the TMDL and any other trash reduction efforts that occurred.

Los Angeles County Municipal Storm Water Permit (Order 01-182)**Individual Annual Report Form****Attachment U-4**

- e) How many times were all Priority A basins cleaned last year? **N/A**
- f) How many times were all Priority B basins cleaned last year? **N/A**
- g) How many times were all Priority C basins cleaned last year? **1**
- h) How much total waste was collected in tons from catch basin clean-outs last year? **4.22**
- i) Attach a record of all catch basins in your jurisdiction. This shall identify each basin as City or County owned, and Priority A, B, or C. For all basins that are owned and operated by your agency, include dates that each was cleaned out over the past year.
- j) Did your agency place and maintain trash receptacles at all transit stops within its jurisdiction. Yes No
- k) How many new trash receptacles were installed last year? **6**
- l) Did your agency place special conditions for events that generated substantial quantities of trash and litter including provisions that:
- (1) Provide for the proper management of trash and litter generated from the event? Yes No
 - (2) Arrange for temporary screens to be placed on catch basins? Yes No
 - (3) Or for catch basins in that area to be cleaned out subsequent to the event and prior to any rain? Yes No
- m) Did your agency inspect the legibility of the catch basin stencil or labels? Yes No
What percentage of stencils were legible? **100%**

Los Angeles County Municipal Storm Water Permit (Order 01-182)

Individual Annual Report Form

Attachment U-4

n) Were illegible stencils recorded and re-stenciled or re-labeled within 180 days of inspection? Yes No

o) Did your agency visually monitor Permittee-owned open channel storm drains and other drainage structures for debris at least annually and identify and prioritize problem areas of illicit discharge for regular inspection? Yes No
 Is the prioritization attached? Yes No

p) Did your agency review its maintenance activities to assure that appropriate storm water BMPs are being utilized to protect water quality? Yes No
 What changes have been made?

All service requests are logged and follow-up conducted by initial contact staff person to assure proper response was taken and any deficiencies corrected.

q) Did your agency remove trash and debris from open channel storm drains a minimum of once per year before the storm season? Yes No

r) How did your agency minimize the discharge of contaminants during MS4 maintenance and clean outs?

Contract maintenance company collects and is trucked to disposal site.

s) Where is removed material disposed of?

To a proper disposal site.

Los Angeles County Municipal Storm Water Permit (Order 01-182)**Individual Annual Report Form****Attachment U-4****6. Streets and Roads Maintenance**

a) Did your agency designate streets and/or street segments within its jurisdiction as one of the following:

(1) Priority A – streets and/or street segments that are designated as consistently generating the highest volumes of trash and/or litter? Yes No

(2) Priority B - streets and/or street segments that are designated as consistently generating moderate volumes of trash and/or litter? Yes No

(3) Priority C – streets and/or street segments that are designated as generating low volumes of trash and/or litter? Yes No

b) Did your agency perform all street sweeping in compliance with the permit and according to the following schedule:

(1) Priority A – These streets and/or street segments shall be swept at least two times per month? Yes No

(2) Priority B - Each Permittee shall ensure that each streets and/or street segments is cleaned at least once per month? Yes No

(3) Priority C – These streets and/or street segments shall be cleaned as necessary but in no case less than once per year? Yes No

Los Angeles County Municipal Storm Water Permit (Order 01-182)**Individual Annual Report Form****Attachment U-4**

- c) Did your agency require that saw cutting wastes be recovered and disposed of properly and that in no case shall waste be left on a roadway or allowed to enter the storm drain? Yes No
- d) Did your agency require that concrete and other street and road maintenance materials and wastes be managed to prevent pollutant discharges? Yes No
- e) Did your agency require that the washout of concrete trucks and chutes only occur in designated areas and never into storm drains, open ditches, streets, or catch basins leading to the storm drain system? Yes No
- f) Did your agency train its employees in targeted positions (whose interactions, jobs, and activities affect storm water quality) regarding the requirements of the storm water management program to:
- (1) Promote a clear understanding of the potential for maintenance activities to pollute storm water? and Yes No
- (2) Identify and select appropriate BMPs? Yes No

7. Parking Facilities Management

- a) Did your agency ensure that Permittee-owned parking lots be kept clear of debris and excessive oil buildup and cleaned no less than 2 times per month and/or inspected no less than 2 times per month to determine if cleaning is necessary. Yes No
- b) Were any Permittee-owned parking lots cleaned less than once a month? Yes No
How many?

Los Angeles County Municipal Storm Water Permit (Order 01-182)**Individual Annual Report Form****Attachment U-4**

8. **Public Industrial Activities Management**
- a) Did your agency, for all municipal activity considered an industrial activity under USEPA Phase I storm water regulations, obtain separate coverage under the State of California General Industrial Activities Storm Water Discharge Permit no later than December 31, 2001? Yes No
- b) Does your agency serve a population of less than 100,000 people? Yes No
9. **Emergency Procedures**
- a) In case of real emergencies, did your agency repair essential public services and infrastructure in a manner to minimize environmental damage? Yes No
- b) Were BMPs implemented to the extent that measures did not compromise public health and safety? Yes No
10. **Feasibility Study**
- a) Did your agency cooperate with the County Sanitation Districts of Los Angeles County to prepare a study which investigates the possible diversion of dry weather flows or the use of alternative treatment control BMPs? Yes No
- b) Did your agency review its individual prioritized list and create a watershed based priority list of drains for potential diversion and submit a listing of priority diversions to the Regional Board Executive Officer? Yes No

Los Angeles County Municipal Storm Water Permit (Order 01-182)**Individual Annual Report Form****Attachment U-4****F. Illicit Connections and Illicit Discharges (IC/ID) Elimination Program (Part 4.G)**

1. Attach a copy of your agency's IC/ID Elimination Implementation Program (Part 4.G.1.a.).
2. Attach a map of your storm drain system showing all permitted connections (if available), and the locations of all illicit connections and discharges that occurred last year (Part 4.G.1.b). If your agency has not completed this requirement, describe the status of the development of a baseline map, including an expected completion date.

None have been identified.

3. Describe your enforcement procedures for eliminating illicit discharges and terminating illicit connections.

Upon receipt of a complaint, a site inspection is conducted and source of discharge determined. A notice of the violation is provided describing the violation, corrective action to be implemented with compliance date and re-inspection date.

4. Describe your record keeping system to document all illicit connections and discharges.

Copy of all correspondence filed in address file with Building Dept., NPDES Administrator, and code enforcement.

Los Angeles County Municipal Storm Water Permit (Order 01-182)

Individual Annual Report Form

Attachment U-4

- 5. What is the total length of open channel that your agency owns and operates? 1,000 LF
- 6. What length was screened last year for illicit connections? 0
- 7. What is the total length of closed storm drain that your agency owns and operates? 163,148 LF
- 8. What length was screened last year for illicit connections? 0
- 9. Describe the method used to screen your storm drains.

CCTV. Illicit connections were screened in previous years as required under the current permit.

- 10. Provide the reporting data for illicit connections as suggested in the following table (you may submit a spreadsheet from your database that contains the information).

Year	Total # reported/ identified	Total # investigated	# that conveyed exempt discharges or NPDES permitted	# that conveyed illicit discharges that were terminated	# that were removed	# that resulted in enforcement action	# that resulted in <i>other</i> actions
01/02	1	1	1	1	1	0	0
02/03	0	0	0	0	0	0	0
03/04	0	0	0	0	0	0	0
04/05	0	0	0	0	0	0	0
05/06	0	0	0	0	0	0	0

Attachment U-4

11. Explain any *other* actions that occurred in the last year.

12. What is the average time it takes your agency to initiate an illicit connection investigation after it is reported?

½ Hour

a) Were all identified connections terminated within 180 days?

Yes No

b) If not, explain why.

13. Provide the reporting data for illicit discharges as suggested in the following table (you may submit a spreadsheet from your database that contains this information).

Year	Total # reported	Total # that were discontinued/ cleaned up voluntarily through enforcement and the source was identified	# that were cleaned up but the source could not be identified	# that resulted in no evidence of discharge	# that were determined to be conditionally exempt	# that were exempt or in compliance and the source identified	# that resulted in enforcement action
01/02	0	0	0	0	0	0	0
01/02	0	0	0	0	0	0	0

Los Angeles County Municipal Storm Water Permit (Order 01-182)

Individual Annual Report Form

Attachment U-4

14. What is the average response time after an illicit discharge is reported?

½ Hour

a) Did any response times exceed 72 hours? Yes No

b) If yes, explain why.

15. Describe your agency's spill response procedures.

Site is inspected and initial containment and clean-up performed by city crew. LADPW is also contacted to proceed with any additional clean-up as necessary.

16. What would you do differently to improve your agency's IC/ID Elimination Program?

17. Attach a list of all permitted connections to your storm sewer system.

Los Angeles County Municipal Storm Water Permit (Order 01-182)**Individual Annual Report Form****Attachment U-4****V. Monitoring**

Briefly describe any storm water monitoring activities that are not required by Order No. 01-182 that your municipality conducted, participated in, or received funding to conduct in the past fiscal year. These activities should correspond with the dollar amount you listed in Table 2.

VI. Assessment of Program Effectiveness

- A. Attach a summary of the effectiveness of your storm water management program. This summary should include, at a minimum, the following:
1. An assessment of your agency's compliance with permit requirements, based on your responses to the questions in this form;
 2. Descriptions of any evaluation methods that your agency uses to determine the effectiveness of your storm water management program;
 3. A summary of the strengths and weaknesses of your agency's storm water management program;
 4. A list of specific program highlights and accomplishments;
 5. A description of water quality improvements or degradation in your watershed over the past fiscal year;
 6. Interagency coordination between cities to improve the storm water management program;
 7. Future plans to improve your agency's storm water management program; and
 8. Suggestions to improve the effectiveness of your program or the County model programs.
- B. On a scale of 1 to 10 (10 being full implementation of requirements by their deadlines), rate your municipality's level of compliance with Order No. 01-182.
- C. List any suggestions your agency has for improving program reporting and assessment.
