An \$8.40 per month per customer Tank Recoating Charge is hereby imposed for a period of ten years.

Surcharge for Facilities Repair

When the water facility repair expenditures exceed the current year budgeted estimate for the District and no emergency disaster funding is available from State or Federal agencies, the Board of Supervisors, as the governing Board for the District, may find that there is shortage of District General Fund revenues and establish a Facilities Repair Surcharge in an amount not to exceed \$1.00 per 100 cubic feet of water sold. The District must give the customers mailed notice of the amount and duration of the proposed surcharge at least ten days before the Board will consider its approval. The surcharge will become effective no sooner than the first full billing period after the date of the Board approval.

Rates and charges are subject to revision

Emergency Facilities Repair Surcharge

A \$15 per month per customer Emergency Facilities Repair Surcharge is hereby imposed for a period of one year.
