All of us here at Brackett Field Airport want to wish you and your family a very Happy Holiday season and a prosperous New Year!

### Airport Ops & Admin

Brackett Field Airport has recently experienced an increase in demand for aircraft storage/parking. Due to this heightened demand, some non-aviation tenants may receive a letter to terminate their lease agreement with the airport. The airport may be able to relocate these terminated tenants to a smaller hangar unit on the airport. Please contact Airport Administration if you have any questions.

We will be continuing to conduct airport hangar inspections. To schedule your inspection, please contact Airport Manager David Price at [dprice@dpw.lacounty.gov](mailto:dprice@dpw.lacounty.gov), Assistant Airport Manager Carlos Diaz at [cdiaz@dpw.lacounty.gov](mailto:cdiaz@dpw.lacounty.gov), or call the office at (909) 844-7805. Please make sure that you are able to provide verification that your aircraft is airworthy or that you have a plan in place to bring the aircraft into airworthy status and that you have proof of the proper general insurance consistent with the requirements described in your hangar aircraft storage license agreement. Your cooperation is greatly appreciated. A current annual on your aircraft is also required.

Los Angeles County Sanitation Districts hosted their annual Hazardous Waste Collection event at the airport on Saturday, December 21st from 9am-3pm on the Southeast ramp. For more information about what items you may be able to recycle at such future events, please visit the L.A. County Sanitation Districts website at: <https://www.lacsd.org/services/solid-waste/household-hazardous-waste-collection>.
