Hi Rebecca,

I had a great Mother's Day! Thank you. I hope you had a wonderful one too.

For the location on Greenwood and Slauson, the correct TCP wasn't provided, therefore, caution is required.

It is ok to have the work done on a weekday from 8:00am to 5:00pm, the truck would be parked on-site (Jack In The Box) per our conversation.

Please follow CA MUTCD for sidewalk closure and all other TCPs requirements. Public safety is imperative.

Thanks,
Rina

This work cannot be done on the weekend. Could we possibly do on weekday?
