Record of Survey Digital Submission Instructions

Our goal is to complete this Record of Survey examination with the fewest amount of follow up reviews (re-checks) possible. To facilitate this goal, we request you follow the Record of Survey format below, and submit all references and supporting documents at the time of your initial submittal.

(Scale)

The pdf file of your Record of Survey must be in 18 inch by 26 inch format. This is needed so that we can verify the size and scale of your map.

(References)

All references such as Tract maps, Parcel Maps, and Field Book pages should be assign a unique "R" value for each reference. i.e. R1, R2, R3 etc. All references "R" should be listed on sheet one of your Record of Survey (see example below). This will allow us to quickly verify that you have submitted all reference documents.

Example: R1 = TR10581 M.B. 163-44-45
 R2 = L.A. Co. Eng. FB 1811-84
 R3 = PWFB 2715-326

Populate the corresponding "R" folders with the associated pdf files.

(Deeds)

Assign a unique "D" value for each deed referenced i.e. D1, D2 etc. All deed references "D" should be listed on sheet one of your Record of Survey (see example below). This will allow us to quickly verify that you have submitted electronic copies of all deeds.

Example: D1 = INST No. 99 1936485 (O.R.)
 D2 = INST No. 385 REC. JUNE 28, 1955 BK 48186 PG 128 O.R.

Populate the corresponding "D" folders with the associated pdf files.

(Assessor's Map)

Populate the Assessor's Map folder with the associated pdf.

(Closure Calculations)

Populate the Closure folder with the associated pdf.

(Supporting Data)

Any other data necessary for the intelligent interpretation of various items and locations may be placed in the Supporting Data folder.

I have read the above Record of Survey Digital Submission Instructions and agree to follow said instructions.
