

# El Monte Airport

## Serving General Aviation and the San Gabriel Valley since 1936

Located in the heart of the San Gabriel Valley, El Monte Airport facilitates over 97,000 general aviation aircraft takeoffs and landings each year. The airport is home to over 300 based aircraft and numerous aviation businesses. With an Air Traffic Control Tower operating daily, state-of-the-art navigational aids, and advanced weather reporting equipment such as the recently installed Automated Weather Observing System (AWOS), the airport safely and efficiently accommodates a wide range of fixed-wing and rotary-wing aircraft ranging from small two-seat, single-engine propeller aircraft up to much larger and higher capacity turbo-prop and jet aircraft.

Owned and operated by the County of Los Angeles, the airport is self-sufficient. All income generated by the County at the airport is reinvested back into the airport or the County's system of airports.

Over the next 2-3 years, the County anticipates investing over \$6 million in

various capital improvement projects at the airport, to include the comprehensive rehabilitation of 48 acres of paved apron. The majority of funding for the various capital projects comes from Federal Airport Improvement Program grants or State grants from the California Department of Transportation Division of Aeronautics. Additional funding for capital and other projects comes from the County's Aviation Enterprise Fund.

Overall, the airport plays a vital role in the nation's integrated system of airports and is a valuable asset to the local communities, serving the diverse constituents of the City of El Monte, the San Gabriel Valley and the broader County of Los Angeles.

### COMMUNITY BENEFITS:

#### General Aviation Products, Services, and Facilities

- \* Business / Corporate Travel
- \* Aircraft Charter / Air Taxi
- \* Flight Training
- \* Personal Flying (Recreation and Training)
- \* Utility/Pipeline Patrol & Inspection
- \* Aerial Surveying & Observation
- \* Aircraft Storage
- \* Aviation Businesses (Aircraft Fueling, Maintenance/Repair, and Rental, Sale of Parts and Supplies, etc.)

#### Emergency Preparedness & Response

- \* Aerial Fire Fighting Support (utilized by L.A. County Fire, U.S. Forest Service, and other support agencies)
- \* Law Enforcement/National Security (El Monte Police Department Air Unit is based at the airport)
- \* Disaster Relief
- \* Search & Rescue

#### Community Services & Facilities

- \* Aeromedical / Air Ambulance Flights
- \* News, Weather & Traffic Reporting
- \* Events (Annual Air Fair, Airport Tours, etc.)
- \* Youth Organizations / Educational Programs
- \* Restaurant and Meeting Facilities
- \* Aircraft Viewing Area

#### Destination & Special Events

- \* Local and regional tourism
- \* Irwindale Speedway (4.5 mi.), Santa Anita Park and The Arboretum (5 mi.), Pasadena Rose Bowl (13 mi.)

#### Employment

- \* Over 100 jobs in airport administration, air traffic control, and at the numerous businesses on the airport.

#### Economic Impact

- \* The region benefits from the direct, indirect and induced impacts of the millions of dollars spent each year at the airport and in the surrounding communities.

(General Aviation includes all civilian flying exclusive of scheduled passenger airlines and military.)
