FORM 5.410 – BASIS OF DESIGN

This form is required for newly constructed buildings 10,000 square feet and more. This form shall demonstrate the commissioning measures identified below have been completed by the designer. This form must be completed and returned prior to permit issuance.

PROJECT INFORMATION

OWNER: _____ DESIGNER: _____
ADDRESS: _____ CITY: _____ ZIP: _____

STATEMENTS OF COMPLIANCE

In accordance with Title 31 Section 5.410.2.2, designer has provided a written explanation of how the design of the building systems meets the Owner's or Owner representative's Project Requirements (OPR). This BOD document covers the following systems and shall be completed at the design phase of the building project.

- HVAC systems and controls
Indoor lighting systems and controls
Water heating system
Renewable energy systems
Landscape irrigation systems
Water reuse systems

Designer hereby states that the above required measures have been completed to the extent described in the County of Los Angeles Green Building Standards Code Title 31. Designer also states that all required commissioning measures are included in the construction documents.
