FORM 5.410 – Testing and Adjusting

This form is required for newly constructed buildings less than 10,000 square feet and for new systems serving an addition or alteration subject to Section 303.1 of Title 31. This form shall certify the testing and adjusting measures identified below have been performed. This form must be completed and provided to the inspector prior to permit final.

PROJECT INFORMATION

OWNER:
ADDRESS: CITY: ZIP:

STATEMENTS OF COMPLIANCE

In accordance with Title 31 Section 5.410.4.2, Owner certifies receipt of a written plan of procedures for testing and adjusting the following systems:

- HVAC systems and controls
Renewable energy systems
Indoor and outdoor lighting and controls
Landscape irrigation systems
Water heating systems
Water reuse systems

In accordance with Title 31 Section 5.410.4.4, Owner certifies receipt of a testing report that documents the testing, adjusting, and balancing of the above-described systems.

In accordance with Title 31 Section 5.410.4.5, Owner certifies receipt of an Operating and Maintenance (O&M) manual detailing the operating and maintenance instructions and warranties for each system.

Owner hereby states that the above required measures have been completed to the extent described in the County of Los Angeles Green Building Standards Code Title 31.
