The screenshot shows the EPIC LA web application interface. At the top, the header includes the EPIC LA logo and navigation links. A dark blue navigation bar contains tabs: Home, Dashboard, Apply, My Work, Request Inspection, Transportation, Customer Survey, Pay Invoices (highlighted with a yellow box and a circled '1'), Report, Search, Maps, Calendar, Help, and About Us. Below this, the 'Invoice Search' section features a search input field (highlighted with a yellow box and a circled '2') containing the placeholder text 'Search for invoices using entire invoice number, including any prefixes or suffixes'. To the right of the input field is a green 'Search' button (highlighted with a yellow box and a circled '3').

Pay through Case or Invoice

Open the case, click on either Add to Cart or Pay Now

The screenshot displays the 'Plan Details' page for a specific plan. The header is consistent with the previous screenshot. The main content area shows plan details: Type, Status (New), Project Name, IVR Number (1294533), Applied Date (04/...), Expiration Date, District, Assigned To, and Completion Date. Below the details, there are tabs: Summary (selected), Locations, Fees (highlighted with a yellow box), Attachments, Contacts, Sub-Records, and More Info. The 'Fees' tab shows a progress indicator (0% Completed) and a list of workflow steps. On the right, the 'Available Actions' section shows 'Unpaid Fees' for \$1,496.00 with a 'Pay Now' button (highlighted with a yellow box).
