

Attachment O

The Medical Examiner is expected to vacate the site in April-May 2026. The start of all construction work affecting Medical Examiner's operations must be coordinated to begin after this date. Medical Examiner must be kept in operation. The project is anticipated to be awarded in January 2026. Any work not affecting Medical Examiner's operations can begin, ie. tree cutting, landscaping, abatement, trash removal, demo not affecting Medical Examiner, etc. The maps in page 2 and 3 show the areas the Medical Examiner is utilizing. They are occupying the building south of the Former Hospital and is currently utilizing three rooms within the main hospital (shown on page 3).
