

CONSTRUCTION NOTIFICATION

Trancas Creek Crossing Permanent Waterline (Phase II) Project

Los Angeles County Public Works will begin construction to install a permanent water main along Pacific Coast Highway as part of Caltrans' Trancas Creek Bridge Replacement Project in the City of Malibu. The project will improve water supply reliability for Los Angeles County Waterworks District 29 customers.

Construction is expected to begin May 11, 2026 and be completed by October 2026. Construction hours will be from 7 a.m. to 3:30 p.m., Monday through Friday. The public may experience temporary shoulder closure. Traffic control measures will be implemented to ensure the safety of the public.

Customers will be notified of any scheduled water service interruption at least 24 hours in advance.
