Timing Is Everything: Don't Let Your Trash Carts Break the Rules

In accordance with Los Angeles County Code, trash carts may only be placed at the curb after 5 p.m. the day before pickup and must be removed by 8 p.m. on collection day, or within two hours after pickup, whichever is later.

To report violations, contact the **Department of Public Health** at **(888) 700-9995**.

Too Toxic to Trash

The Los Angeles County Household Hazardous and Electronic Waste (HHW/E-Waste) Collection Program offers FREE and convenient ways to responsibly dispose of items that are too toxic and hazardous to go in the regular trash. Items collected at LA County HHW/E-Waste events and drop-off centers include:

- Unwanted electronic devices (TVs, microwaves, computers, etc.)
- Paint
- Car and household batteries
- Household cleaning products
- Used motor oil
- Sharps and pharmaceuticals
- Reusable 1 lb. propane tanks
