BILL	AUTHOR	STATUS	SUMMARY	TASK FORCE POSITION
SB 60	Glazer and McGuire	Introduced December 21, 2016 Senate Committee on Environmental Quality	Existing Law: The California Beverage Container Recycling and Litter Reduction Act requires CalRecycle to annually designate convenience zones, as defined, statewide and requires at least one certified recycling center or location within every convenience zone that accepts all types of empty beverage containers and pays the refund value at one location, and that is open for business 30 hours per week. Proposed Law: This bill, until July 1, 2017, would exempt from the requirement that each convenience zone be served by at least one certified recycling center (1) a convenience zone that was served by or exempted because of a recycling center that closed between January 1, 2016, and March 31, 2016, or that is closed as a result of an action taken by CalRecycle on or after July 1, 2016, and (2) a convenience zone that is in a jurisdiction with a land use restriction that prevents the siting or operation of a certified recycling center on or after July 1, 2016.	
SB 72	Mitchell	Introduced January 10, 2017 Senate Committee on Budget and Fiscal Review	Existing Law: Budget Act of 2017. Proposed Law: This bill would make appropriations for the support of state government for the 2017-18 fiscal year. More than \$100M appropriated to CalRecycle for Waste Reduction and Management from several funds.	
SB 168	Wieckowski	Introduced January 23, 2017 Senate Committee on Rules	Existing Law: The California Beverage Container Recycling and Litter Reduction Act requires processors, and distributors of beverage containers to report specified information to the department, in the form and manner prescribed by CalRecycle. Proposed Law: This bill would explicitly authorize CalRecycle to require the information to be submitted electronically.	
SB 212	Jackson	Introduced February 01, 2017 Senate 1st Reading	Existing Law: The Medical Waste Management Act, administered by the California Department of Public Health, regulates the management and handling of medical waste. Proposed Law: This bill adds to the Act a definition of "home-generated pharmaceutical waste" as a prescription or over-the-counter human or veterinary home-generated pharmaceutical that is waste and is derived from a household, including, but not limited to, a multifamily residence or household.
