Dear Senator Roth:

SUPPORT – ASSEMBLY BILL 1747 (QUIRK) AS INTRODUCED ON JANUARY 31, 2022 – CONTRACTORS: DISCIPLINARY ACTION

The Los Angeles County Solid Waste Management Committee/Integrated Waste Management Task Force (Task Force) is pleased to **support** Assembly Bill 1747 (AB 1747), as introduced on January 31, 2022.

The proposed legislation, if enacted, would expand the list of violations that constitute cause for a disciplinary action by the Contractors State License Board (CSLB) and would authorize a civil penalty not to exceed \$30,000 for specific violations that are considered to be willful or deliberate disregard and violation of state and local building laws such as the issuance of building permits.

Section 374.3 of the Penal Code stipulates that it is unlawful to dump or cause to be dumped waste matter, rocks, concrete, asphalt, or dirt upon a public road right-of-way, upon private property, or upon other public property. Assembly Bill 246 (Quirk, 2021) chaptered last year added illegal dumping per Section 374.3 of the Penal Code as a willful violation of state and local building laws that constitute as a cause for disciplinary action by the CSLB.

The Task Force is in support of AB 1747 as it provides stricter penalties for contractors found to be in violation of Section 374.3 of the Penal Code which would provide additional tools to combat illegal dumping by licensed contractors.

Pursuant to Chapter 3.67 of the Los Angeles County Code and the California Integrated Waste Management Act of 1989 (Assembly Bill 939), the Task Force is responsible for coordinating the development of all major solid waste planning
