**RE: Spring 2023 Semi-Annual Waste Characterization Report for Waste Management
Lancaster Landfill and Recycling Facility**

Dear Ms. Clark:

Per condition 14 of the Finding of Conformance, referencing citation 10 of Exhibit "B" of the Waste Plan Conformance Agreement adopted 10/11/05 by the Los Angeles County Board of Supervisors, Waste Management presents the following waste characterization report for the Spring 2022 period.

Please note that there were several days we did not receive any third-party industrial customers at LLRC for the entire day. On those days, we completed waste characterizations for 4 loads.

Should you have any concerns or questions, please contact me at (818) 482-8676.

Sincerely,

A handwritten signature in black ink, reading 'Jordan Kingsbury', is positioned above the typed name.
