

Free Disposal Day Events at Landfills

Several Los Angeles County landfills will host Free Disposal Day events in 2025. The events provide specific Los Angeles County communities within Supervisorial Districts (SD) 3 and 5 with opportunities to dispose of up to one ton of trash free of charge, which helps combat illegal dumping. In 2024, approximately 1,400 residents took advantage of the Free Disposal Day events, bringing in over 1,170 tons of trash for disposal. Listed below is information on upcoming events at various landfills for 2025:
