**POWERPOINT PRESENTATION ON
COUNTYWIDE SITING ELEMENT CHAPTER 10
(FINDING OF CONFORMANCE PROCESS)**

Countywide Siting Element

CHAPTER 10

CONTINUING DISCUSSIONS REGARDING FINDING OF CONFORMANCE

March 20, 2008

Chuk Agu

FOCUS OF PRESENTATION

- Purpose/Justification of CSE FOC Process
- Scope of CSE FOC Requirements
- Recap of Last Presentation
- How we can strengthen the CSE FOC process
- Potential options to strengthen the CSE FOC process

JUSTIFICATION OF CSE FOC PROCESS

- Mechanism for inclusion of new or expansions of existing facilities into the CSE
- Means to ensure consistency and conformance with CSE and its Siting Criteria
- Provide forum for public participation in the siting process
- Means of ensuring compliance with CSE/CSP goals and policies

JUSTIFICATION OF CSE FOC PROCESS (CONT.)

- Provides alternative CSE amendment process
- Other facility permits do not adequately address FOC requirements
- LA County has a unique and complex solid waste management system
- Provides an agency to review and implement the FOC process

SCOPE OF FOC REQUIREMENT

- State laws and regulations
 - Role of task force
 - CSE consistency and conformance requirements
 - Siting criteria requirements
 - CSE Landfill descriptions and information
 - CSE amendment requirements
- CSE goals and policies
- CSP goals and policies

RECAP OF LAST PRESENTATION

- See minutes

HOW WE CAN STRENGTHEN CSE FOC PROCESS

- By making it more effective
- By making it more enforceable

POTENTIAL OPTIONS TO STRENGTHEN CSE FOC PROCESS

- See Table Handout

NEXT STEP

- Seek Task Force Direction
- Continue discussion in April

QUESTIONS AND COMMENTS
